5. Communications Department:

a. Communications August 2022 Claims:

The Committee reviewed the Communications August 2022 claims.

b. Communications Report:

The Committee reviewed the Communications report. Director states there is work being done with Solarus involving moving copper lines for the jail expansion. Also continuing work on NextGen911. Clarification was given on the scheduled power outage through maintenance.

c. 2023 Budget:

The Committee reviewed the Communications 2023 Budget. Director stated the budget is up due to Finance removing an account last year that needed to be re-added this year. Discussion ensued on the CIP funds. Decided that the AC unit for the Nekoosa Tower will be pushed to the following year budget and getting a new vehicle for the Communications direction will be priority.

Motion by Hamilton, second by Winch to move the 2023 budget for the Communications Department to the Operations Committee. Motion carried unanimously.

6. Emergency Management Department:

a. Emergency Management August 2022 Claims:

The Committee reviewed the Emergency Management August 2022 claims. Clarification was given on the p card charges, stating the charge was for nuts/bolts/washers for the upcoming Town of Port Edwards and Town of Saratoga BNI project. Those funds will be getting paid through the townships.

b. Emergency Management Activity Report:

The Committee reviewed the Emergency Management report.

c. 2023 Budget

The Committee reviewed the Emergency Management 2023 Budget. Director stated the budget is up about 2% without the purchase of a BNI vehicle. For the BNI vehicle the department will be using the trade in funds from the F150, \$18,000.00 from the sale of the Director vehicle and the requested money in the budget of \$30,000.00. Looking to get a ¾ - 1-ton truck that would be used for both BNI purposes and to haul the command trailer to and from events.

Motion by Voight, second by Hamilton to move the 2023 budget for the Emergency Management Department to the Operations Committee. Motion carried unanimously.

7. Dispatch Department:

a. Dispatch August 2022 Claims:

The Committee reviewed the Dispatch August 2022 claims.

b. Dispatch Activity Report:

The Committee reviewed the Dispatch report. Discussion ensued on the departure of the director and to start thinking about whether or not to hire within to fill that position. Director stated the department received praise from a man who was stuck in sand hills and could not find his way out.

OFFICE OF CORONER

David A. Patton

DATE: October 02, 2022
TO: Wood County Public Safety Committee
FROM: David A. Patton, Wood County Coroner
SUBJECT: Monthly Activity Report – September 2022

The following is a list of services rendered by the Wood County Coroner's Office for:
September 2022.

Deaths in Wood County.....	101
Calls for Service.....	113
Natural.....	28
Falls.....	2
(1 fall resulted in significant closed head injury and the other was due to inanition (failure to thrive) due to multiple fractures.	
Covid (considered natural).....	2
(1 from Wood County and one from Marathon County	
Traffic Fatalities.....	1
(vehicle vs. motorcyclist)	
UTV/ATV/Snowmobile.....	0
Suicides.....	3
Homicides.....	0
Suspected Overdoses.....	3
Other.....	1
(1 choking/foreign body airway obstruction)	
Pending.....	0
Death Certificates Signed.....	38
Cremation Permits Signed.....	90
Autopsies Performed.....	3

Remarks:

Tablets: Both tablets and supplies are in the possession of IT. When contacted, they advised me they had some things take priority over setting them up but would get to them as soon as possible.

Office/Storage: I have been busy getting the old files organized and properly stored in the storage cabinets. Due to age, we have also been able to recycle/shred old documents. Rest assured, none of these are any case files.

Fee Increase: Last year, we increased the user fees for death certificates and cremation permits from \$100.00 to \$105.00. To date, this simple increase has generated an approximate additional revenue of \$5,510.00. This excludes approximately 1.9% which we don't or can't bill for.

Respectfully Submitted,

David A. Patton
Wood County Coroner

Notes: (The notes below reflect to the categories above in the y-t-d)

1. Despite not being in a pandemic, this number is above previous years. This is the total number of deaths registered in Wood County as signed by physicians and the coroner's office in each month.
2. This is the number of times our office is paged through dispatch for any given reason. The reason is varied – it mostly is for calls and cremation permits, but can be for families to contact us, insurance issues or requesting follow up with respect to cases or a variety of reasons.
3. This is the total number of deaths due to natural causes that are signed by this office. The overall number is higher than in previous years but remains consistent with respect to recent months. Without the pandemic numbers, which threw our numbers “off kilter,” I suspect this will be the new norm.
4. Falls, unfortunately, remain to be a leading cause of death, except for natural, in our elderly population. It's unfortunate that when injured this demographic group simply can't overcome the injuries sustained. Unfortunately the elderly population often has underlying comorbidities that they simply can't overcome when injured.
5. The Covid related deaths are nil to what we began the first of the year with. It is still out there and still infectious. Our latest cases of Covid related deaths have unfortunately been in the elderly population. As with falls, this age group often has multiple underlying health issues which weaken the immune system. Currently, this is also the case when younger individuals expire due to Covid related issues. These individuals often have multiple comorbidities or weakened immune systems from an underlying disease process.
6. While typically motor vehicle accidents (autos), this also includes motorcycle accidents and does include one pedestrian vs. motor vehicle. I am genuinely pleased to see how low this number is for how far we are into the year.

7. I'm glad to see that we have had none of these. When the current Wood County ordinance changed allowing UTV's to operate on certain roadways, I was expecting a couple. I believe this is due to training, education and enforcement activities that keep operators safe.
8. Currently, we are sitting at 10 suicides for the year which is above this time last year.
9. So far we have no homicide cases reported or documented for 2022. Upon review of 2021, Wood County had only two documented homicide cases.
10. Overdoses fall into two categories – intentional and accidental. For this month, we had three overdoses, one being intentional and two accidentals. Thanks to new field testing, we can test for potential illegal substances and help determine potential overdose cases earlier. We have field tested this on several cases and it has proven to be beneficial to both us and law enforcement. We still follow up with a complete toxicology report on any suspect overdose to quantify results.
11. To date, we have had two cases of hypothermia, one victim expired as the result of a house fire, one succumbed from positional asphyxia and as of September, we have had two cases of choking or foreign body airway obstruction.
12. This is the total number of death certificates signed by our office by month. These include, but are not limited to, scene death investigations, hospital ER deaths, deaths “kicked back” to our agency by the state, calls received by funeral homes and any death not signed by a physician. This number is consistent with the previous months, but higher than previous years. This again is due to families and funeral homes contacting us to expedite the signing of the death certificate.
13. This is the total amount of cremation permits signed by our office. Currently, 76% of our deaths have opted for cremation as final disposition. With the current trend of increasing cremations, we will only see us issuing more in the future.
14. Most of the autopsies are unfortunately drug overdose related. Out of the ten autopsies performed, only two have been out of medical necessity. The purpose of performing an autopsy on a suspected drug overdose is to assist law enforcement and the DA's office in the potential future conviction of the drug supplier.

K9 Rosco	30	3	3

TRAINING (MONTHLY) –

- The Wood County K9 teams took part in the Wisconsin Law Enforcement Canine Handler Association (WLECHA) working conference September 18 – September 21 in Madison, WI. This conference consisted of 14 working sites, a narcotic and patrol challenge, legal update, and Veterinarian speaker. The working sites consisted of interior/exterior/vehicle/building narcotic location. In addition, each site consisted of interior/exterior searches for person with bite work and civil locations.

TRAINING (INDIVIDUAL) –

- Sergeant Christianson/Ace completed on duty training in the area of open area and vehicle narcotic detection.
- Sergeant Arendt/Timo completed on duty training in the area of narcotic detection and obedience.
- Deputy Beathard/Rosco completed on duty training consisting of narcotic detection and apprehension work.

USEAGE –

- Sergeant Christianson/Ace were deployed six times in the month of September. Four times for exterior sniffs of vehicles which resulted in the location of methamphetamine, marijuana and drug paraphernalia. Two deployments were tracks for wanted suspects. One subject was located by Ace after fleeing from traffic stop, and the other located after resisting arrest for warrants and criminal charges.

WOOD COUNTY SHERIFF'S DEPARTMENT

SHAWN BECKER, SHERIFF

- Sergeant Arendt/Timo were deployed six times in the month of September. Four of these deployments were for narcotic sniffs of vehicles. Two of these sniffs resulted in indications which resulted in the location of marijuana. One deployment was an article search for firearms and the final deployment was a track of a wanted subject.
- Deputy Beathard/Rosco had three deployments during the month of September. Two deployments were narcotic sniffs of vehicles with no indications observed. The other deployment was a property protection of a residence. Resident came home to find unknown shoes inside entry way. Announcements made of K9 on scene and subject was located inside residence and taken into custody.

DEMO/COMMUNITY –

- Sergeant Arendt/Timo attended the Wheelers K9 Brat fry in Wisconsin Rapids.
- Deputy Beathard/Rosco completed K-9 Demos at Wheelers in Marshfield, Central Wisconsin Sportsman Club, and Auburndale High School.

ADDITIONAL INFORMATION –

- At the WLECHA conference, K9 Ace was awarded champion of the patrol challenge for locating a subject inside a large warehouse in the least amount of time. Approximately 150 K9 teams took part in this challenge.

Security Services September 2022 Report

For the month of September 2022, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	61
O.C. -	8
Misc. Items -	6

The miscellaneous items that were located were three self-defense tools, two brass knuckles and a screwdriver.

Security Services screened 7,297 people entering the courthouse for the month. Security Services had 34 security requests from different departments within the Courthouse. We had three jury trials go for the month of September.

With the construction of Branch 4 and the start of the new Jail/Sheriff's Department/entrance to courthouse, Security Services has been busy with contractors and deliveries coming into the building. We know things are only going to get even busier in the next two years but we are looking for ways to better streamline security for everyone during these builds.

For the month of September, I utilize part-time employees for 30.5 hours. These part-time hours covered full time deputies' time off.
