fax 715-421-8754

SERVICES OFFERED

WHAT IS THE MISSION OF DEFLECTION?

To identify and deflect at risk populations to treatment and behavioral health services prior to a crisis, overdose, or new criminal activity. The aim of deflection programming is to connect individuals to systems of care at the earliest point possible, while attempting to provide the necessary resources and skills to improve outcomes and reduce recidivism.

Deflection programming is a voluntary early intervention solution.

- Completely free
- Personalized, with a focus on the unique characteristics of each individual
- Reduce the risk of incarceration, hospitalization or placement in involuntary systems

Three Bridges Recovery

- Access to Peer-Support Specialists and Recovery Coaches

Mental Health & AODA Treatment

- Referrals for Assessment, Treatment and Services

Case Management

- Assistance with referrals/applications, including housing, recovery programs and community services
- Support goal-setting and accountability
- Maintain consistent contact with program participant and all involved providers to support success

“The first step towards getting somewhere is to decide that you are not going to stay where you are.”

~J.P. Morgan
