

WE ARE LOOKING FOR VOLUNTEERS!

Want to help youth learn the tools and skills they need to be successful now and into adulthood? We hope to connect local youth to needed community resources, engage them in positive activities, practice skill-building, and help them envision a bright future for themselves. **Currently, we are looking for volunteers to share their interests and skills with youth in the community to help further this goal.**

Consider volunteering with youth at the following levels:

Level 1: Informational Interview

Level 2: Job shadow or Workshop

Level 3: Mentorship or Apprenticeship

We are looking for volunteers with expertise in the following areas:

- **Welding**
- **Construction**
- **Cosmetology**
- **Mechanics**
- **Arts and Crafts**
