## MINUTES HIGHWAY, INFRASTRUCTURE & RECREATION COMMITTEE

**DATE:** Thursday, May 4, 2023

**TIME:** 9:00 a.m.

**PLACE:** Highway Dept. – Conference Room

MEMBERS PRESENT: Jake Hahn, Dave LaFontaine, John Hokamp, Lee Thao, Al Breu

(via WebEx)

OTHERS PRESENT: See attached sign-in list

1. Chairman Hahn called the meeting to order at 9:00 AM and declared a quorum present.

- 2. There were no public comments at this time but were allowed during the agenda item during the meeting.
- 3. The minutes of the April meeting were reviewed. Motion by LaFontaine/Breu to accept them as presented. Motion carried unanimously.
- 4. There is a request to open up a section of CTH Z for ATV traffic. Motion by Hahn/LaFontaine to approve opening CTH Z from 20<sup>th</sup> Street to 80<sup>th</sup> Street in the Town of Grand Rapids. Motion carried 4-1. Voting no was Breu (feels we should wait until the City opens up the rest of the section so as to avoid confusion).
- 5. The Highway Dept. staff reports and revenue reports were presented.
- 6. Motion by LaFontaine/Thao to approve the Highway Dept. vouchers. Motion carried unanimously.
- 7. Commissioner Hawk informed the committee of the delay in the construction of the roundabout at CTH Z & 48<sup>th</sup> St intersection until 2024. Savings from the CTH W roundabout project can be used for this project. Citizen comments were allowed during this time and provided alternative ideas other than a roundabout.
- 8. The sick leave policy referral to the Operations Committee is being investigated. More information will follow at a later date.
- 9. Work continues on investigating a site for a new state/county salt shed in the Pittsville area. The lease on the old sheds is coming due in 5 years and in order to get funding from the state for a new shed, time is of the essence. A piece of county forest property along STH 80 in Dexterville is being looked at presently.
- 10. The committee reviewed the bids for the CTH W roundabout. Motion by Breu/Hokamp to accept the bid of McCabe Construction. Motion carried unanimously.
- 11. There is a lobbying group opposed to the premise of longer and heavier trucks being allowed along the roadways. Hawk reported the Highway Dept. is in favor of their efforts as the CTH system and bridges were not designed or built for this heavy of traffic.

- A resolution offering support of this venture will be drafted by Hawk for the next meeting.
- 12. Hahn informed the committee that the ARPA Funding Adhoc Committee approved the \$600,000 asphalt drum replacement. A resolution will be going to county board in May.
