MINUTES HEALTH & HUMAN SERVICES COMMITTEE

DATE:Thursday, November 21, 2024TIME:5:00 PMPLACE:Wood County Annex & Health Center – Classroom
Marshfield, WI

MEMBERS PRESENT: Donna Rozar, Tom Buttke, John Hokamp, Lee Thao, Laura Valenstein (WebEx), Rebecca Spiros, Leslie Kronstedt

MEMBERS EXCUSED: Kristin Iniguez, Mary Jo Wheeler-Schueller

OTHERS PRESENT: Trent Miner, County Clerk; See attached sign-in list.

- 1. Chair Rozar called the meeting to order at 5:00 PM.
- Chair Rozar opened the 85.21 public hearing for the Wood County Transportation Program. Human Services Community Resources Supervisor Olivia Lloyd reviewed the ridership statistics for the past year, and outlined the coordinated plan strategies for the next 5 years.
- 3. There being no public comment, Chair Rozar declared the public hearing closed.
- 4. A quorum was declared present.
- 5. There was no public comment.
- 6. The consent agenda was reviewed. Clarification was offered on pulled items. Motion by Hokamp/Spiros to approve the consent agenda. Motion carried unanimously.
- 7. Health Department Manager Alft presented 4 budget amending resolutions. These are yearly housekeeping resolutions that allocate additional grant funding not foreseen when the budget was prepared. Motion by Buttke/Spiros to approve the budget amendment resolutions for WIC, Juneau/Adams, Healthy Smiles, & Consolidated Contracts budgets and forward onto the county board for their consideration. Motion carried unanimously.
- Human Services Director Vruwink presented a resolution to create one Economic Support Worker position, fully funding through the Northern Income Maintenance Consortium. Motion by Thao/Kronstedt to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.
- 9. Vruwink presented a resolution to create one Assistant Administrator position serving both Norwood and Edgewater Haven. This was discussed at last month's meeting.

Motion by Buttke/Spiros to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.

- 10. Rozar discussed the recent law change as it concerns the membership of the Board of Health. If an MD/DO cannot be found, a Physicians Assistant or Nurse Practitioner could be considered, however the new law would not allow them to sign health department orders. There is legislation being drafted to be introduced at the next session to correct this oversight.
- 11. The next meeting will be held on Thursday, December 19th at 5:00 PM at Edgewater Haven Nursing Home Conference Room. Mrs. Spiros will be excused from this meeting.
- 12. Motion by Spiros/Kronstedt to go into closed session pursuant to Wis Stats 19.85 (1)(f) to consider a leave of absence request. Motion carried unanimously.
- 13. Motion by Hokamp/Thao to return into open session. Motion carried unanimously.
- Motion by Spiros/Kronstedt to go into closed session pursuant to Wis Stats 19.85 (1)(c) to conduct performance evaluations of the department heads the committee oversees. Motion carried unanimously.
- 15. Motion by Spiros/Thao to return into open session. Motion carried unanimously.
- 16. Chair Rozar declared the meeting adjourned at 7:02 PM.

Minutes taken by Trent Miner, County Clerk, and are in draft form until approved at the next meeting.

ADMINISTATIVE REPORT - SUE SMITH, RN, MSN, CPM

- I apologize for missing last month's meeting. Believe me, you would not have wanted me there. I don't know what that was, but it was a doozie.
- The opioid funds awarded have been distributed to awardees. In addition, the contract has been signed with the Family Health Center for the \$2,550,000 to go toward construction of the building in Wisconsin Rapids. We're still waiting on Congress to take final action on the \$3 million that is earmarked for the project.
- I met with Shane from Land and Water Conservation to talk about the ARPA funds allocated for water testing and nitrate remediation. We discussed methods to conduct means testing for potential recipients of funds. We used our WIC program means testing as an example. We plan to collaborate on water testing going forward and I told Shane we are happy to help however we can.
- I met with John Richmond with Marshfield Utilities. Marshfield had a lead action level exceedance as part of their lead and copper monitoring. As part of that exceedance, John is required to send a public education document to all schools, day cares, health care providers, and county health departments that describes the potential health effects of lead in the drinking water. This year, John was required to meet with me in person (by the Wisconsin Department of Natural Resources).
- We continue to work on reaccreditation, which is a major undertaking. I'm not a fan of the saying "it takes a village", but in this case, it certainly does take a small army of our public health staff to gather and complete the requirements. It will be a relief to complete this process.
- I attended a strategic planning session at MSTC in Marshfield. They reviewed the various programs they offer and new opportunities for students there. They also reviewed data and how they have expanded. They were seeking input about what employers in the area need, where we are seeing gaps, and how MSTC might be able to fill those gaps.
- We are also due for our DHS 140 Review (Department of Health Services Chapter 140 Review). This occurs once every five years and includes staff from DHS coming on-site to review our work and assure we are in compliance with a number of Wisconsin statutes and administrative rules. This will likely occur in September 2025.
- Our management team completed our employee performance evaluations before the deadline. This is a good time of year to reflect on how blessed we are to work alongside such a talented group of individuals. We are proud of our workforce and how resilient they are. Their loyalty, dedication, kindness, and compassion do not go unnoticed.
- I would like to extend a heartfelt thank you to the committee for your support and your work over the previous year. Important decisions were made, policies were set, and positive impacts occurred as a result. The time you spend in your role as a committee member is appreciated! The work is critical to the health and well-being of the people we are all here to serve. Thank you for investing your own personal time in our mission and for making Wood County a safe and healthy place to live, learn, work, pray, and play.

SUPERVISOR OF STRATEGIC INITIATIVES REPORT – KRISTIE RAUTER EGGE, MPH

- The 2023 Wood County YRBS Summary Report was published <u>https://bit.ly/2023WoodYRBS</u>
- Staff co-presented Wood County YRBS data for Marshfield School District's "Let's Keep Talking" series (recording available: <u>https://youtu.be/pqSoUp2lq41?si=QWQXnCuuP1A9XsgN</u>)
- Staff presented to New to Public Health Residency Program and Northwoods Coalition on incorporating health equity in coalitions and local health departments.
- The Impacts of COVID-19 in Wood County Qualitative Data Project Report 2024 was published https://bit.ly/WoodQDG
- Staff have been analyzing Wood County pertussis data weekly.
- A staff member, Niki Lucht, was elected as WPHA/WALHDAB (Wisconsin Public Health Association/Wisconsin Association of Local Health Departments and Boards) Policy & Advocacy Committee Co-Chair.

Communication/Branding

- Staff wrote an article on Diabetes Awareness Month for Pittsville Record and reached out to additional media outlets to setup one on one meetings.
- Worked with staff to create a plan for moving the Wood County Farmers Market website over to the HPWC website.
- Staff took Federal Plain Language training and presented at an all staff meeting on Accessible Communications: Writing in Plain Language.

Community Health Improvement Plan (CHIP)

• Reviewed housing and transportation strategy ideas from different sources and combined them into one document to help plan out the final CHIP goals and objectives.

- Added recommendations to the Youth Risk Behavior Survey (YRBS) Report for schools to address priority issues from their YRBS results.
- Staff held two deliberative dialogue conversations and one focus group with community members to get input on the CHIP strategies with support from UW Extension.
- Staff have been developing financial security objectives for the 2025 CHIP.
- Staff have been working with UW Milwaukee MPH students on creating policy briefs for the CHIP.

<u>Housing</u>

Staff attended the Wisconsin Housing and Economic Development Authority Conference November 18-19 in Madison. At the conference staff learned about available housing programs in Wisconsin, successful development projects, and incentives developers are looking for. Staff also had the opportunity to speak with Governor Evers, WHEDA staff, and property managers to encourage developers to come to Wood County. Staff also attended Centergy's Fall Economic Development Meeting where we learned about economic development happening in Central Wisconsin and affordable housing programs from Wisconsin Economic Development Corporation and Simplicity Credit Union.

Policy

Staff prepared for future meetings with State Senate and Assembly Representatives.

IMPACT

- IMPACT Full Team Meeting:
 - The IMPACT team met November 12 and had a presentation from the Family Health Center of Marshfield. There was an overview of programs and services provided. The full team is scheduled to meet again in February.
 - Healthy People Wood County IMPACT is in Year 5 of the federal Drug Free Communities (DFC) Support Program, which covers the South Wood County area (including Wisconsin Rapids, Grand Rapids, Port Edwards, and Nekoosa). IMPACT will be competitively applying for years 6-10 of the grant in early 2025.
 - The Community Opinion Survey on Alcohol and Other Drugs closed at the end of November. The goal of having more than 600 surveys completed was met, and the survey results will be compiled and analyzed in the coming months.
- Tetrahydrocannabinol (THC) Committee:
 - The THC Committee met November 5 and discussed existing data to measure community attitudes and trends around youth THC use. The group will determine the best means to survey youth about attitudes, beliefs, access, and use of hemp products.
 - The State Council on Alcohol and Other Drug Abuse (SCAODA) published a <u>report on preventing youth access to</u> <u>hemp derived psychoactive cannabis products</u> that highlights Wood County's ordinance. Ashley Normington, Wood County Health Department, participated in the Ad Hoc Committee that authored the report.
- Alcohol Workgroup: The workgroup is working with the Wisconsin Alcohol Policy Project to develop recommendations for training underage volunteers to participate in alcohol age compliance checks. The workgroup will continue working with Wood County law enforcement on conducting checks and will be presenting to the Wisconsin Rapids Common Council in early 2025. Alcohol age compliance checks are a proven effective strategy to prevent underage access to alcohol.
- LifePoint sterile syringe access and sharps disposal program:
 - $_{\odot}$ 10 participants who helped an additional 29 people with sterile supplies.
 - Participants shared: would like to get into inpatient treatment, transportation barriers, interested in peer support to get some questions answered.
 - One participant came in smiling and proud of themself, as they had not used substances for a few weeks and felt empowered that they could say "no". This was the first time they had gotten a taste of recovery and shared some positive feelings with LifePoint staff.
- Naloxone Direct Program:
 - Wood County Health Department was awarded 70 cases (840 kits) of NARCAN® nasal spray through the Division of Care and Treatment Services Naloxone Direct Program for the 2024-2025 program year. The state's previous program year recorded the highest number of overdose reversals to date with over 4,400 overdoses reversed with naloxone.
 - A continuing education course on Overdoes Prevention and Narcan administration was provided at Aspirus Hospital through Mid-State Technical College. These trainings are offered twice in the spring and fall semester.
 - Wood County Health Department distributed 39 nasal naloxone kits and trained 11 individuals in Narcan® administration.
- Nicotine Prevention Alliance of Central Wisconsin: Local school districts have been partnering with Wood County Health Department to properly dispose of vaping devices. Containers were provided to two additional school districts to safely store and dispose of vaping devices that have been confiscated from students at school.
- Marshfield Area Coalition for Youth (MACY) Drug Task Force:
 - The MACY Drug Task Force meets monthly at Marshfield Police Department to address community concerns around substance use.
 - The task force was awarded a federal Drug Free Communities (DFC) grant that started in October. The MACY Board will be meeting to discuss strategic planning and fulfilling requirements of the grant. A Coalition Coordinator will be hired in spring 2025 to provide full time staff support.
 - MACY and IMPACT supported Marshfield Police Department's participation in the October drug take back event where 95 pounds of medications were collected.

6

- Northwoods Coalition: Two upcoming funding opportunities were announced at the Northwoods Coalition members
 meeting in November: State Opioid Response (SOR) and Opioid Settlement through Northwoods Coalition. These
 opportunities can be used to supplement existing activities of member coalitions. SOR has funded projects such as drug
 take back events, medication lock boxes, and provided community education around prevention and harm
 reduction. This funding award is expected to increase from \$10,000 to \$12,500. Opioid Settlement through Northwoods
 Coalition is a new funding opportunity that will increase opportunities for funding around harm reduction projects, as well
 as community engagement activities. This funding award is expected to be around \$5,500.
- Providers and Teens Communication for Health: Members of IMPACT presented to the PATCH teens about their work on substance prevention, focusing on how youth can engage with the community team. They gathered feedback from the teens on potential survey questions, discussed the current terminology used by youth for THC, and explored ways to implement the "Stay True to You" THC and vape prevention campaign. The teens also received training on overdose prevention and Narcan administration. Additionally, the team underwent training in motivational interviewing.
- Public Health Vending Machines: There are six public health vending machines across Wood County; three in Wisconsin Rapids (River Block Building, Mid-State Technical College Wisconsin Rapids Campus, and Aftermath Tattoo) and three in Marshfield (St. Vincent de Paul Food Pantry, Family Health Center, and Mid-State Technical College Marshfield Campus). The vending machines at Aftermath Tattoo and Mid-State Marshfield are only stocked with fentanyl test kits, fentanyl-xylazine test kits, and Narcan®. The vending machines at River Block, Mid-State Wisconsin Rapids, St. Vincent de Paul, and Family Health Center are stocked with a variety of public health items, and the machines at Family Health Center also has 8 oz water bottles. The machines, Narcan®, fentanyl test kits, fentanyl-xylazine test kits, tick and mosquito spray, and hygiene kits were purchased with funds from Wood County Health Department Communicable Disease Grant. Gun locks were donated by the Veterans Service Office, feminine hygiene pads were donated by the American Legion, and tick removal kits were provided by Wood County Health Department Environmental Health (grant funds).

Altems stocked beginning November 2024

A total of 1,482 items have been vended from the six public health vending machines across Wood County—652 in South Wood County and 830 in North Wood County. Narcan continues to be the most vended item (337 boxes vended). 5 items are fully out of stock with no funds to purchase more and no guarantee of further donation: first aid/wound care kits, personal hygiene kits, tick and mosquito spray, hand wipes, and tick removal kits. A few boxes of gun locks were donated at the end of October, so we were able to restock those during November. There are two new items that were also donated at the end of October and stocked beginning in November: dental care kits and COVID-19 tests.

Access to Healthy Food

Interviews are scheduled in December for the new Regional Farmers Market Coordinator who will support the work of the USDA grant titled Central Wisconsin Farmers Market Collaborative: Demonstrating a Return on Investment from Improving Food Equity at Farmers Markets. A kickoff meeting for the grant will be held in early 2025.

Recreation and Transportation

River Riders Bike Share wrapped up the season with 238 total rides taken across 3 bike share station locations. Locations included White Sands Beach at Lake Wazeecha, McMillan Memorial Library, and the West Grand Avenue Bridge. Marshfield Community Bike Share saw an increase in their third season of bike share with a total of 172 rides taken across 4 station locations. Last year there were 89 rides taken. Locations included the Wildwood Park and Zoo, Everett Roehl Marshfield Public Library, Marshfield Clinic Health System YMCA, and the Marshfield Fairgrounds. Both bike share programs had outstanding seasons and we look forward to the 2025 season and all that it will bring.

Safe Kids Wood & Clark Counties

Staff held Child Death Review meeting and entered cases from this meeting into Case Reporting System. Staff are compiling the prevention/recommendations discussed in the meeting for these cases. Staff scheduled Safe Kids Facebook posts for December and completed Department of Transportation (DOT) reporting – sending in reimbursement for car seat orders and completed October's monthly report. Staff are completing the annual report for the month of November.

ENVIRONMENTAL HEALTH REPORT - BEN JEFFREY, R.S.

New Businesses and Consultations

A pre-licensing inspection was completed for The Slice in Wisconsin Rapids. A pre-licensing inspection was completed for Salt and Pepers in Wisconsin Rapids. A consultation was completed for a Wisconsin Rapids food establishment interested in opening a business. Staff completed a pre-licensing inspection for Al Madina in Marshfield due to a change in ownership, a complex retail food establishment serving meals. A pre-licensing inspection was completed for Uptown Coffee, located in Marshfield. A consultation was completed for a restaurant looking to open in the Marshfield area. A pre-licensing inspection was completed for Fatty Steaks in the Pittsville area.

Staff Trainings

In November our Environmental Health team traveled to Wisconsin Dells for the annual WEHA (Wisconsin Environmental Health Association) conference. The WEHA conference is a gathering of local health departments, state employees, and industry. The purpose of this is to provide education on current topics that are relevant to the world of environmental health. Many topics were covered, including, proper techniques on cooling food to reduce risk of foodborne illness, how to avoid ticks and tick related illness, the food safety measures that were implemented by Milwaukee City Health Department during the Republican National Convention, and an overview on how our new cloud based Healthspace system will work for inspections soon. Jill Ibarra also completed "Find it Fix it Bed Bug Inspection" presented by NEHA (National Environmental Health Association).

Complaint Investigations

Six complaint investigations were completed in the month of November.

- A complaint was received regarding a possible cockroach infestation in a rental home. Staff worked with the landlord and the building has been successfully treated by a professional pest control company.
- A complaint was received regarding a failed septic system. Staff have investigated the complaint, and orders have been issued by Wood County Planning and Zoning.

8

- A customer service complaint was made on a licensed food establishment. Staff reached out to the establishment and notified them of the complaint.
- A caller reported mold in a rental unit. Staff worked with the tenant and landlord to address the issues. No health hazards were observed.
- A mold complaint was received at a medical facility. Staff referred the complaint to the proper agency for follow-up.
- A complaint was reported regarding head lice. Staff provided education and are monitoring the situation.

HEALTHY SMILES FOR WOOD COUNTY REPORT - NICOLE BURLINGAME, RDH

The sealant program is in progress in the elementary schools. So far, 925 sealants have been placed on 205 students, and 986 fluoride treatments have been applied. One oral screening and fluoride treatments for 200 children in Wood County Head Start Centers have also been completed. Two more screenings and fluoride treatments will be provided during the remainder of the school year.

PUBLIC HEALTH NURSE SUPERVISOR REPORT - ERICA SHERMAN, MSN, RN, IBCLC

Parents as Teacher (PAT)

PAT continues to host monthly group connections. November's group connection focused on holiday safety with guests joining from the Marshfield Fire and Rescue Department. In December, PAT will focus on stress management. We currently do not have any openings for new PAT families as we navigate referrals for other maternal-child health services and cover for staff FMLA.

Communicable Disease

Wood County has had 61 confirmed cases of pertussis (whooping cough) since July 30. As we enter respiratory season, we continue to recommend that folks who are sick stay home. The best way to prevent serious illness it to maintain current vaccination status.

Emergency Preparedness (EP)

University of Wisconsin-Eau Claire (UWEC) Nursing Students dedicated a semester to researching the flooding risk for residents of Wood County. While flooding can impact many residents, the students focused on identifying populations most disproportionately affected. Their research revealed a higher prevalence of individuals with physical disabilities in Wood County compared to neighboring counties. Students identified that a significant number of these individuals engage in programs offered by the Aging and Disability Resource Center (ADRC), such as Meals on Wheels. Leveraging this information, the nursing students developed informational inserts for the ADRC monthly newsletter to help residents prepare for flooding events. Additionally, they created magnets for all Meals on Wheels participants, providing tips on how to assemble a personal go-bag to ensure residents are adequately prepared.

WOMEN, INFANTS AND CHILDREN (WIC) REPORT - CAMEN HOFER, RD, CD, IBCLC

• WIC issued 3,600 WIC Farmers Market Nutrition Program (FMNP) vouchers to 720 WIC participants June-September. 82% of those families spent some or all of their vouchers this FMNP season.

WOOD COUNTY HUMAN SERVICES DEPARTMENT REPORT December 2024

Director Update by Brandon Vruwink

On December 9, Deputy Director Miloch and I held our quarterly meeting with Wood County School District Superintendents. The meeting focused on continued communication and collaboration. The school district superintendents and the Human Services and Health Department shared updates. The beginning of the school year has gone well, and communication between the districts and our department has been excellent. Our next meeting with the Superintendents is scheduled for March.

I was notified on December 9 that I had been selected as a member of the Wisconsin Counties Association's County Ambassador Program. I thank WCA Chair Pliml for appointing me to the CAP Team for this upcoming legislative session. The CAP Team's work begins on January 23, 2025, and will continue throughout the year as we advocate for Human Services legislative wins and wins for other issues critical to Wisconsin Counties.

With the upcoming retirements of the Finance Director, Corporation Counsel, and District Attorney and the change in District Attorney, the Human Services Department will be working closely with the new leaders of the respective Departments. We coordinate with each department regularly, so it is imperative that we offer support and continue to collaborate with the new leaders as the transition occurs.

At our October Health and Human Services Committee meeting, I provided an update on the Northern Income Maintenance Consortium. I am pleased to share that the consortium directors, of which I am a member, voted to insert language into our contract that requires counties to meet their annual minimum commitment if they do not recruit and fill their vacant positions timely. This change will eliminate ambiguity within the contract and ensure each county honors its commitment to providing the necessary resources to serve the residents within the twelve-county consortium.

I am providing an update related to our projected budget surplus for 2024. We are projected to have a surplus of just over \$900,000 on the community side. There are a mix of reasons why we have a surplus. When budgeting, we assume that all positions are filled for the entire year. Within the Human Services Community budget, we have 172.2 FTE's. When a position becomes vacant, it takes time to recruit and fill the positions, which results in cost savings. Other variables are our reimbursement rates within the Behavior Health Division and the number of units we bill for based on productivity and client needs. We have seen an uptick in demand in several programs, increasing revenue. This past year, we also successfully secured additional grant revenue, which aided our budget. These grant dollars unknown when preparing the 2024 budget in August of 2023. The Human Services Community budget for 2024 was just over 28 million dollars. Our projected surplus is just over 3% of our budget. Two to three additional Child Welfare placements would erase our budget surplus.

The budget surplus within our Long-Term Care Facilities is projected out higher for two reasons. First, our Medicaid rates increased after we put together the 2024 budget in August 2024. The increases in the State of Wisconsin's Medicaid program have been historic. The second reason is that the supplemental payment formula has changed, which has resulted in higher payments to county homes. The increase at Norwood was significant but much less so for Edgewater Haven. The supplemental payment formula change was not known until the spring of 2024, several months after the 2024 budget was approved. There is ongoing uncertainty with supplemental payments as they are based on the profit/loss formula used by the state. We continue to stay in contact with DHS and Leading Age Wisconsin to stay informed on any potential changes to the supplemental payment formula.

As 2024 ends, I would like to recognize all the staff that make up Wood County Human Services, Edgewater Haven, and Norwood Health Center. Every year provides us with a unique set of challenges and new opportunities. I appreciate our team's willingness to embrace the challenges and welcome new opportunities to serve Wood County residents. Their hard work and dedication to supporting Wood County residents are greatly appreciated!

Deputy Director Update by Katie Miloch

The Adult Protective Services unit began after-hours on call on 12/1/24. This will provide 24-hour coverage for emergency APS situations and fill a gap we've always had. Most counties do not provide this level of coverage and I'm grateful for the support to be able to increase our ability to respond to extreme abuse/neglect situations for our vulnerable adult population.

Collaborative efforts with schools remain a focus of Family Services. We began a series of unit-specific meetings with Marshfield school district's student services team last month beginning with the Youth Justice unit. This was an opportunity to meet new team members from each group, share what's going well and areas to focus on.

Norwood Health Center Update by Marissa Kornack

The ADRC of Central Wisconsin very recently communicated with us that they are facing funding cuts to their Meals on Wheels programming in 2025. The budgetary cuts have resulted in them engaging in a prioritization of meals program to cut approximately 40,000 meals across the four county region in 2025. At this time, we are not aware how many of these meals will be cut in Wood County, but there is a high likelihood our county will be significantly impacted given that Wood County serves and distributes the highest volume of meals across the four county region. The ADRC has stated the majority of the cuts will be known and communicated to us by mid-January. With that said, these cuts have the ability to impact Norwood significantly as the vendor of the Wood County meals, which will result in meal volume and revenue reduction. If meal volume reduction is significant enough for Wood County, we will need to look at making some operational changes in order to meet our 2025 budget. We have placed this issue on the agenda for discussion, and also plan to continue this discussion with the committee in the coming months when the meal reduction numbers are known.

We have identified some issues with Northwest Connections (contracted crisis line) related to voluntary admissions to our hospital unit. If NWC determines an individual can safely engage in a community safety plan, they will not coordinate a voluntary hospitalization even if it is requested by a client, nor provide their assessment. With that said, our team is working with the outpatient crisis team to explore options for Norwood staff to screen/complete assessments in these situations to facilitate a voluntary admission if the client is still requesting it or an emergency room believes it is necessary. We hope to arrive upon a solution that is beneficial for all involved.

Norwood Nursing Department by Liz Masanz

For nurses, we continue to have 2.6 FTEs vacant, which necessitates the continued use of two agency nurses. While we were able to bring a new full time RN on board the second week of December, we also had a LPN who wasn't able to return from a leave, creating a vacancy. With that position being vacant, we took the opportunity to convert that position from LPN to RN, in order to work towards compliance with the CMS nursing home staffing mandate, which will require 24/7 RN coverage on the long term

care units. In addition, the long term care head nurse (nurse manager) position is newly vacant, so we are actively recruiting to replace that vacancy.

For CNAs, we currently have 3.0 FTE vacancies. We also continue to have a CNA out on leave, which continues to necessitate two agency staff members. Attendance continues to be an issue for a group of our newly hired CNAs, and we continue to follow and hold staff accountable to our attendance policy.

Admissions Unit: The average census for the month of November was 6.93 and 6.98 year-to-date. Average length of stay for November was 4.75 and 6.52 YTD. There were thirty-seven admissions and forty discharges, with five 30-day readmissions. There have been 351 admissions YTD.

Long Term Care: The long- term care unit had no admissions or discharges in November, with an average census of 11 on Crossroads and 14.5 on Pathways, with the year-to-date averages being 9.94 and 13.33 respectively, which exceeds our budgeted census.

We continue to prepare for our annual recertification survey, which should occur any time over the next couple of months, as we are currently at month 13 since our last survey. CMS requires the state to complete annual surveys between 9 and 15 months since the last one. We recently formulated some new tracking tools for accident/incident/injury reports and medication regimen review reports from pharmacy due to some self-identified issues with this process.

Director of Nursing, Liz, is providing coverage for the current head nurse (nurse manager) vacancy. The position is posted and we are actively recruiting.

Norwood Dietary Department by Larry Burt

Congregate meals for the month of November were 5,321 with revenue of \$38,479.59. Meals for the year are 64,685 with revenue of \$476,921.

As of writing this, we have a .50 dietary aide position vacant.

Norwood Maintenance Department by Lee Ackerman

All 2024 capital improvement projects have been completed, besides the water pipe replacement project, which is in progress. These funds will need to be carried over into 2025.

Dish Room Walls -The dish room walls and ceiling have been refinished and they look very nice. We also added new light fixtures and corner guards to help extend the life of the new finishes.

Air Handlers Phase 2 – All of the air handlers have been completed and have been added to the Desigo building operating system. We now have better control over the speed and output of the fans, and we noticed the fans runs significantly quieter now.

Water Pipe Replacement – The design engineer has made several site visits to verify accuracy of blueprints and to note changes that were made to the water supply system over the last 50 years. This included touring the entire crawlspace to map out locations of valves, pipe pathways, etc. The next task will be to have several meters installed that will record actual water usage throughout the day. This will be performed by a sub-contractor, however, there will be a delay in starting this work as those devices are on a waiting list due to high demand for from other projects in the state.

Other Maintenance:

Water Management: We continue to make headway in minimizing the contaminant in the water supply, demonstrating the effectiveness of the disinfecting system that was installed. A round of water samples

was tested mid-November and the outcomes showed a 50% decrease in positive results. A second round of testing was done near the end of the month, focusing on locations identified as positive in the first round, and the results of those tests showed even more improvement, with only one location coming back positive. We continue to follow the advice from US Water, including flushing and filtering any location testing positive. We will continue with monthly testing until results are completely clear, and then quarterly testing thereafter, to ensure the safety of the water supply.

We are starting to see a decrease in monthly water bills due to reduction in flushing, which was made possible due to the effectiveness of the disinfectant system.

Staffing. A fulltime Maintenance Specialist will be out for medical leave starting Dec. 6th for 8-12 weeks.

CVSO Report to the Wood County Health and Human Services Committee

Meeting Date: December 19, 2024

November 2024 Activity: During the month of November we completed/submitted 193 federal forms include:

- 19 Intent to file a claim (this marks the effective date while we assist the veteran in gathering all the required supporting documentation)
- 6 Appeals Higher Level Review, Notice of Disagreement (appeal)
- 20 New claims for disability compensation
- 2 New claims for veterans pension
- 2 New claims for surviving spouse benefits (DIC or surviving spouse pension)
- 13 New applications for VA Healthcare
- 17 Appointments of Claimants Representative (POA for American Legion, VFW, DAV etc.)
- 5 Burial and marker applications
- 20 Request for individual's VA medical records *

*Request for VA medical records is a newly reported form, in addition we request many non VA medical records using the private providers procedures (then we have to read them).

Activities:

- 1. Completed as of November 14, 2024:
 - a. November 15 Wisconsin Department of Veterans Affiars Veterans Outreach and Recovery Program (VORP). The new case worker for Wood County is stopping in to meet our staff.
 - b. November 19 VA Regional Office Director's Veteran Service Officer call in.
 - c. December 2 Guest on WFHR talk Radio.
 - d. December 10 LaCrosse VetCenter Meet and greet/update (Virtual).
- 2. Near Future:
 - a. December 17 VA Regional Office Director's Veteran Service Officer call in.
 - b. January 17- CTVSO Association Executive meeting in Superior WI.

Office updates:

Tomah Equitable Relief claims are being completed. These are disability claims where the examiner was a specific neurologist who was not providing sound opinions after years of problems one veteran went to an invesagative reporter and finally the VA had to take positive action. As this examiner was contracted by the Tomah VA Medical Center many Wood County veterans disability claims were impacted. In the past two weeks three of our veterans have had there decisions/exams redone resulting in retroactive awards in the amounts of \$243,000, \$205,000 and \$120,000. In addition all three will receive an increase in monthly disability compensation check. These dollars are tax free and now in their Wood County bank accounts to use as the veterans need.
