

CITY OF WISCONSIN RAPIDS

WE WANT YOUR FEEDBACK!

Bicycle Friendly Community Survey

In February 2023, the City of Wisconsin Rapids submitted an application for Bicycle Friendly Community (BFC) status administered by the League of American Bicyclists! The Spring 2023 BFC review process is now officially underway. To help the League of American Bicyclists gain a better understanding of bicyclists' experiences and perceptions of bicycling in the City of Wisconsin Rapids, the City would appreciate your help in providing feedback.

Take survey here until April 5:
