CHILD SUPPORT
AGENCY

JULY 2024

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

Prepared by Child Support Director Brent Vruwink

- During the month of July we will begin working on the agency budget. Preliminary funding numbers from the State look good with a projected 2.66% increase in funding for Wood County. The increase is a result of a growing caseload and increased performance in the Federal Performance Measures.
- I am exploring training opportunities for agency staff. About seven years ago three staff members and I completed the Divorce and Family Mediation Program at UW Madison. I am looking to get all the Case Managers trained in mediation. UW Madison no longer offers this credential so we are exploring the Family Mediation Program offered at UW Milwaukee. This will allow agency staff to better serve our customers.
- Vicki Stoflet will be attending a Child Support Roundtable on July 9th in Merrill.
- I will be attending WCSEA meetings on July 11th and 12th in Eau Claire.
- I will be attending the WCA Health and Human Services Steering Committee Meeting on July 19th in Wisconsin Dells.
- We are on track to meet all four performance measures.
- The current IV-D case count is 3,746.

Kimberly A. Stimac

CLERK OF
CIRCUIT COURT

July 2024

Monthly Report to the Judicial and Legislative Committee
Prepared by Kimberly Stimac, Clerk of Circuit Court

May 28, 2024 – I became a member of the Records Management Procedures Committee through the Wisconsin Court System. This committee develops and maintains effective, uniform records management systems that provide timely and accurate case information. The committee is made up of judges, clerks of court and deputy clerks of court, registers in probate, juvenile clerks, district court administrators, CCAP staff, Court Operations staff, and representatives from other agencies, such as the Wisconsin State Bar and the District Attorneys Association. This committee completes the final review of proposed/modified model recordkeeping procedures before they are posted. The committee itself does not meet. Procedures are emailed to committee members to review and provide comment. I look forward to being a part of this committee.

June 5 – June 7, 2024 – Attended the Wisconsin Clerks of Circuit Court Conference in Green Bay, WI. These conferences are so important for clerks to attend.

June 7, 2024 – My chief deputy clerk, Vicki Ziegahn, attended the Judicial and Legislative Committee meeting in my place.

June 10, 2024 – Attended the Wisconsin Counties Association County Leadership meeting virtually.

June 11, 2024 – Attended the Operations Committee meeting virtually.

June 14, 2024 – The written offer was accepted for the new Small Claims/Civil Clerk position. Our new clerk will begin employment with Wood County on Monday July 8, 2024. This puts us back at full staff!

June 24, 2024 – Attended the Wisconsin Counties Association County Leadership meeting virtually.

June 25, 2024 – Attended a zoom meeting by the Department of Corrections-Adult Institutions division. The purpose of this statewide meeting is to inform us about recent changes in their division relating to court ordered financial obligations and collections for persons in their care (prison inmates). Wood County is currently following the statutes and recommendations of the DOC when a defendant is sentenced to prison or restitution has been ordered as a condition of probation which allows DOC to collect on the restitution, surcharges, fines and costs. What we struggle with, along with many counties throughout the state, is when we have to take back the debts from DOC so that we can begin collecting on them again. We have to make sure that the record of the debts from DOC align with what we have in our CCAP system which for unknown reasons at this time, is time consuming. I'm was glad to see that CCAP was on this zoom meeting and I'm excited to hear that they plan to meet further to discuss how the two systems can work better together.

CORPORATION COUNSEL

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE
June 2024

1. Opioid settlement: A resolution is being presented to the Committee and the County Board this month to accept the proposed opioid settlement with the Kroger grocery store chain. Kroger has agreed to pay approximately \$1.2b over an 11-year period to state and local units of government for its involvement in the over-prescribing of opioids. Wood County is a part of a very large settlement class that consists of most counties in Wisconsin as well as many states and local units of government. These funds will be added to other opioid settlement funds the County has and will be receiving to address the opioid crisis here in Wood County.
2. Four Stools Short: The purchase of the Four Stools property has been concluded. As part of the purchase agreement, the seller will be allowed to continue use of the property rent-free until the end of January 2025. On a related note, the tenants in the two properties adjacent to the tavern, which are also owned by the County, have been provided notice to vacate within one year. This is all a part of the County's plan to vacate the part of Market Street directly in front of the Courthouse and new jail to make parking available.
3. Legal Services: Every week I review contracts for the various departments and give advice with regards thereto. As part of this function I try to discern and point out potential problems with the contracts but do recognize that often the terms of an agreement may be less than palatable and sometimes are just unfair, but never-the-less, we are in a position where the department needs to enter into the agreement. At some point, one or more of these contracts are going to come back and haunt us. This will not necessarily mean that anything went wrong in the contracting, rather sometimes the County simply is not in a position to negotiate what we would consider equitable terms.

The County has recently brought a legal action against a large local business wherein we are seeking \$125,000 in penalties for failing to comply with the nonmetallic mining ordinance requirements. We have also asked for temporary and permanent injunctive relief in the case. I bring this up to make sure that you understand that this office does assist other county departments in bringing all sorts of litigation against folks, some of which may be successful local businesses that we are pleased to have in our community. Sometimes it has even included county board supervisors. We do not pick the battles, we just try and treat everyone the same. Normally these matters are not brought to your specific attention but you should feel free to let me know if you have questions or concerns.

COSSAP MAT Grant Program

The COSSAP MAT Grant funding is ending on 9/30/24. This program supports recovery coaching services in the jail, addiction medication, case management services, and limited financial support for individuals releasing from the jail (gas vouchers, rent for sober living). The Department of Justice notified the Criminal Justice Department that they were one of five sites selected to continue their program and be placed under the Residential Substance Abuse and Treatment grant, for up to \$150,000. This grant requires a 25% match from the county; in-kind services may be used as match funds or Opioid Settlement dollars may qualify. The Criminal Justice Coordinator met with Sheriff

Becker, Chief Deputy Quentin Ellis, and Administrator Ted Ashbeck this month to discuss grant guidelines and in-kind cash match options. All were in support of receiving this grant and continuing our jail medication assisted treatment program.

The program will have a name change going forward and is now called the Medication Assisted Recovery Program.
