ACTIVITY REPORT

October 9th, 2023

- Child Support Reimbursement
- Open Records fulfillment
- Interviewed 8 applicants for 3 vacant positions in Dispatch. Two have been offered positions to begin on October 16th and October 23rd. Next intended hire would be just after the First of the year based off how the first two trainees pan out.
- Continued Everbridge meetings and online trainings.
- Attended Critical Incident Stress Management (CISM) Administrative meeting and follow up full Team meeting in Pittsville.
- Recognized the Anniversary of four longtime members of Dispatch. One has 19 years of service, one had 17 years (plus another 9 with Marshfield prior to consolidation), one with 11 years and the fourth member had a 7 year anniversary.
- The ERCO Emergency Management drill took place in Port Edwards. Dispatch was part of the incident through the duration of the event.
- Completed the Master Street and Address Guide (MSAG) refresh with AT&T to ensure the progression of Next Gen 911 continues. Next step will be to include our Local Exchange Carrier (Solarus) to ensure the Automated Location Identification (ALI) is updated accordingly.

Remarks:

Staffing: Both deputy coroner Mark Meyers and Kristine Huebl, our two newest deputies, are taking calls. Their availability has been tremendous during the daytime hours when we needed staffing the most. Both are eager and willing to learn and ask questions. They both are a great asset to our department and the County.

Changes to report: This month, I opted to put the ages of decedents in the report under certain topics. I chose to do this because I honestly believe it gives more credibility to what our office does monthly and the calls we face. The information I provided, ages, is readily available on funeral home websites and social media sources such as Facebook. I just think it's imperative that people see what this office does on a routine basis.

Thank you: First to Wood County Deputy Tollefson a huge thank you. As I was investigating the accident at CTH Y and Shady, he informed me the family would be arriving on scene. Once they arrived, he told me they were on scene and wanted to view the decedent. I asked him to "buy me some time" to finish my investigation and make the decedent presentable for viewing which he did. Deputy Tollefson went above and beyond in helping this distraught family.

To Marshfield Fire and Rescue crew Matt and Sam. Both assisted in doing what I needed for investigative purposes. Also, they assisted in the preparation of the decedent to make them suitable for visitation by the family. I know the family was extremely grateful for being able to spend those precious moments with their loved one.

Lastly, to Chief Deputy Coroner Jason Joling, thank you. When you arrive on scene to something as a 16-year old suicide victim and realize you know the family and still be able to maintain composure, that's a whole new level of professionalism. In hindsight had either Jason or myself known he knew the family he never would have been sent. Due to his actions, Chief Deputy Coroner Joling received a special thanks in the obituary for helping the family navigate through this difficult time.

Respectfully Submitted,

David A. Patton
Wood County Coroner

Notes: (The notes below reflect to the categories above in the y-t-d)

#4 – Falls: Finally, a month with no reported deaths in our elderly population due to falls.

#6 – Traffic Fatalities: The fourth traffic fatality in Wood County occurred at County Road Y and Shady Road, Town of Auburndale. Sadly, this incident involved a young 17-year-old.

#7 – UTV/ATV/Snowmobile: This month we recorded two ATV accidents. The first was out of the Town of Grand Rapids and the second from the Pittsville area. Both individuals suffered severe traumatic injuries in solo vehicle accidents. Both fatalities appear to be a result of the vehicle overturning onto the operator, resulting in severe internal head and body injuries. The ages of these decedents ranged from 71-79 years old.

#8 – Suicides: Wood County had a high of 3 suicides in September. The manner or means is not important as the result is unfortunately the same. The age range for these souls is 16-25 years old.

#14 – Autopsies: This past month, we had two autopsies performed for Wood County for medical necessity in determining cause of death in younger adult males. Currently, we are awaiting toxicology results for completion of the pathologist's report. Also, I transported an individual for an autopsy from Clark County. This rather sad and unique case has involved an autopsy, toxicology, and county time for these things. This is a case where the Clark County Coroner had to remove herself from the case due to a conflict of interest and the Neillsville Police asked our agency to investigate this case. All associated fees for autopsy, toxicology and autopsy time will be reimbursed to Wood County from Clark County with respect to this case.

K9 Sig	33	1	1
K9 Ace	12	4	0
K9 Timo	34	3	2
K9 Rosco	30	0	0
K9 Bingo	35	2	0

TRAINING (MONTHLY) –

The Wood County K9 teams took part in the Wisconsin Law Enforcement Canine Handler Association (WLECHA) working conference September 24th – 27th in Manitowoc, WI. Sergeant Arendt and Sergeant Christianson attended the traditional conference consisting of 14 working sites, a narcotic and patrol challenge, and K9 medical care refresher with OPK9. The working sites were various patrol scenarios for K9s and their handlers to attempt. These sites consisted of building searches for person, water apprehensions, open area searches, high-risk stops, civil searches for person, and K9 medical refresher. Each of these sites also consisted of 2-5 narcotic finds each.

Deputy Pidgeon and Deputy Beathard attended a specialized training while at WLECHA focusing on marijuana and hemp discrimination. Both K9 Sig and K9 Rosco passed certification.

TRAINING (INDIVIDUAL) –

- K9 Sig had extra narcotic training on vehicles.
- K9 Timo completed 2 hours. During these hours, K9 Timo trained narcotic detection and obedience.
- K9 Rosco completed 3 hours focusing on narcotics and obedience.
- K9 Bingo completed 3.5 hours focusing on odor detection.
- K9 Ace completed 3 hours in the areas of odor detection and tracking.

WOOD COUNTY SHERIFF'S DEPARTMENT

SHAWN BECKER, SHERIFF

USEAGE –

- K9 Sig was deployed at Mary's Place in Wisconsin Rapids. This was a narcotics search, nothing located.
- Sergeant Arendt and K9 Timo had three deployments in the month of September. Two of these deployments were narcotic sniffs of vehicles. Both of those resulted in indications and vehicle searches. These searches revealed, suspected heroin, marijuana, and drug paraphernalia. The final deployment was a track for two subjects who crashed their stolen vehicle and fled prior to law enforcement arrival. Track was conducted for approximately 1 mile through Wisconsin Rapids (roads, sidewalk, and yards) until it was abandoned.
- Sergeant Christianson and Bingo had two deployments during the month of September. First deployment was a track for a wanted felon. This individual had resisted arrest and ran into a wooded area. Bingo was deployed and tracked for approximately 400 yards. Bingo successfully assisted in locating subject and he was taken into custody with no further incident. Bingo was also deployed for a bomb/explosive threat at the Humke Elementary School in Nekoosa. Bingo was deployed and searched nearly every area of the school with no change of behavior or indication observed.
- Sergeant Christianson and K9 Ace had no deployments in September, but had 4 deployments in August that were not documented. These deployments were during an interdiction with Wisconsin Rapids Police Department. One of the deployments with K9 Ace had a positive indication on a vehicle where marijuana and drug paraphernalia was located inside the vehicle.

DEMO/COMMUNITY –

- K9 Sig had a K9 demo at Wheelers in Marshfield.
- Sergeant Arendt along with Chief Deputy Ellis attended the Kiwanis Club Golf Outing banquet where they received a donation for the Wood County K9 program. Sergeant Arendt and K9 Timo attended the Back the Badge football game at LHS.

ADDITIONAL INFORMATION – At the 2023 WLECHA conference Sergeant Christianson and K9 Ace received recognition for their 2022 Track with Apprehension where subject was located after committing numerous crimes in the Vesper area.

Respectfully,

Nathan Dean

Security Services September 2023 Report

For the month of September 2023, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	69
O.C. -	10
Misc. Items -	5

The miscellaneous items that were located were two (2) window punches, a drill bit, a skateboard and a pair of scissors.

Security Services screened 7,260 people entering the courthouse in September. Security Services had 35 security requests from different departments within the Courthouse for the month and we had two jury trials. We also served one civil process paper and fulfilled five warrants in September.

We handled two complaints in the jail this month. The reports were for criminal damage to property and counterfeit money. Security services also transported an inmate to the E.R. to be medically cleared.

Security found a wallet on September 5th and returned it to the own the next day. Later in the month, an individual had found another wallet and turned it into Security. We are still attempting to locate the owner of the wallet to return it to her.

During the Month of August, I utilize part-time employees for 21 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
