AGENDA HEALTH & HUMAN SERVICES COMMITTEE

DATE: Thursday, May 22, 2025

TIME: 4:00 PM

LOCATION: Edgewater Haven Nursing Home

Conference Room

1351 Wisconsin River Dr

Port Edwards, WI

1) Call to Order

2) Declaration of Quorum

3) Public Comments

4) Interview of CBRF Architectural Design candidate

5) Consent Agenda:

a) Review/approve minutes from previous committee meeting

b) Review Department Head/Supervisor Monthly Reports/Narratives, Information Material, & Financial Statements and/or Quarterly Reports

c) Approve Department Vouchers: Edgewater Haven, Health Department, Human Services, Norwood Health Center, Veterans Service

6) Discussion and consideration of item(s) removed from consent agenda

7) HEALTH DEPT

- a) Resolution to support the transition of a current RecoveryCorps member into a full-time Community Health Worker role focused on opioid and substance use prevention, harm reduction, and recovery support.
- b) Resolution to amend the Health Department's 2025 budget (54121) for the purpose of disbursing Opioid Settlement Funds towards Three Bridges Recovery Wisconsin, Inc.

8) HUMAN SERVICES

- a) Norwood Water Management Update
- b) Edgewater Haven CBRF Discussion
- c) Edgewater Haven Incentive Pay Policy
- 9) Legislative Issue Updates
- 10) Future Agenda Items
- 11) Request for reimbursement for meeting attendance
- 12) Committee may go into closed session pursuant to 19.85(1)(f) Wis. Stats. To consider leave of absence request(s)
- 13) Return to open session
- 14) Next Meeting(s): Thursday, June 26, 2025 Wood County Annex & Health Center Marshfield
- 15) Adjourn

MINUTES HEALTH & HUMAN SERVICES COMMITTEE

DATE: Thursday, April 24, 2025

TIME: 5:00 PM

PLACE: Wood County Annex & Health Center, Classroom

MEMBERS PRESENT: Donna Rozar, Tom Buttke, John Hokamp, Lee Thao, Laura

Valenstein (WebEx), Leslie Kronstedt (WebEx), Rachel Stankowski (WebEx), Dr. Tim Golemgeski, Marie Topping

OTHERS PRESENT: Trent Miner, County Clerk; See attached sign-in list.

1. Chair Rozar called the meeting to order at 5:00 PM declared a quorum present.

- 2. The consent agenda was reviewed. Motion by Buttke/Golemgeski to approve the consent agenda. Motion carried unanimously.
- 3. Bailey Slark, Community Health Planner with the Health Dept. gave a presentation on the Community Health Improvement Plan for 2025-2027. She reviewed the collaboration and development of the plan, as well as a timeline. She highlighted the goals hoping to be achieved and how they plan is evaluated and monitored throughout the timeframe. She also reviewed the website where to track the progress.
- 4. Health Director Smith presented a request for out of state travel for attendance at the NACo Annual Conference in Philadelphia for her and the committee chair. No levy funds will be used. Motion by Buttke/Thao to approve the request as presented. Motion carried unanimously.
- 5. Norwood Administrator Kornack introduced the new Assistant Administrator for Norwood and Edgewater Haven, Katie Haanstad. Haanstad discussed her background and experience.
- 6. Kornack introduced Jodi Flaherty, and engineer working with CMG & Associates. Their firm is working on the plans for replacement of the water infrastructure at Norwood. She reviewed the status of the project, budgetary considerations, as well as some options to be considered as design continues.
- 7. Kornack reported that they believe the Norwood water infrastructure bid phase costs can be absorbed within the current budget, however as the year progresses and if the budget outlook changes, she will inform the committee.
- 8. Edgewater Haven Administrator Cieslewicz reminded the committee of the interview scheduled for the May meeting for a design firm for the possible CBRF

- buildout. The meeting will start at 4:00 PM, instead of 5:00 PM to accommodate the interview.
- 9. Rozar & Kronstedt excused at 6:40 PM. Vice Chair Thao assumes the chair.
- 10. The 2026-2030 CIP proposals for Edgewater, Norwood, and Human Services were presented and reviewed. Motion by Buttke/Hokamp to approve the CIPs as presented. Motion carried unanimously.
- 11. Human Services Director Vruwink reviewed the history and status of the Human Services Risk Reserve Fund. After review of the 2024 budget, there are enough funds to add the policy capped amount of \$250,000 to the fund. Motion by Hokamp/Golemgeski to approve the transfer of \$250,000 from excess 2024 funds to the Risk Reserve Fund. Motion carried unanimously.
- 12. Kornack presented a request to convert to contracted employees to county employees and reviewed the cost savings associated with such a move. Motion by Buttke/Golemgeski to approve the conversion as presented. Motion carried unanimously.
- 13. Kornack reviewed a resolution authorizing the transfer of funds to fund the assistant administrator position, as was discussed previously. Motion by Buttke/Valenstein to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.
- 14. Fiscal Services Manager Schlagenhaft presented a resolution to reconcile the 2024 budget whereby the excess expenditures would be funded by either excess revenues or unspent functions. Motion by Hokamp/Golemgeski to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.
- 15. Vruwink requested out of state travel for staff to attend the Project Livesaver 2025 Conference in Florida coming up in August. No tax levy funds will be used. Motion by Valenstein/Golemgeski to approve the travel request as presented. Motion carried unanimously.
- 16. Motion by Valenstein/Buttke to approve a per diem expenditure for Chair Rozar to attend the Joint Finance Committee meeting in Wausau. Motion carried unanimously.
- 17. Motion by Hokamp/Topping to go into closed session pursuant to 19.85(1)(f) Wis. Stats to consider leave of absence requests. Motion carried unanimously.
- 18. Motion by Buttke/Hokamp to return to open session. Motion carried unanimously.

- 19. The next meeting will be held on Thursday, May 22nd at 4:00 PM at the Edgewater Haven Nursing Home Conference Room.
- 20. Vice Chair Thao declared the meeting adjourned at 7:13 PM.

Minutes taken by Trent Miner, County Clerk, and are in draft form until approved at the next meeting.

ADMINISTATIVE REPORT - SUE SMITH, RN. MSN. CPM

- We are still awaiting feedback from the Public Health Accreditation Board (PHAB). They are doing a preliminary review of our document submissions for any glitches. Then they will thoroughly review each document submitted against the national standard to determine whether we have met the standard. There is no timeline on when they will complete that or when they will schedule our mandatory virtual site visit.
- We received notice from WI DHS that our immunization grant funding will be cut in half effective immediately.
- I am thankful I had the opportunity to attend the National Association of Counties Opioid Solutions Leadership peer exchange in Washington DC earlier this month. We toured a Stabilization Center in the downtown area where individuals who use substances can pop in for help, food, and referrals to services. We had presentations on the federal landscape around funding and reprioritization. My favorite presentation was a demo of a tool called Opioid Settlement Principles Resource and Indicators, or OSPRI. It is an interactive tool that we can use for developing evaluation measures to monitor the effectiveness of interventions. The tool can be found here: <a href="https://opioidprinciples.jhsph.edu/ospri/#:~:text=What%20is%20OSPRI?jurisdiction%20to%20reduce%20overdose%20ri
- While I was in Washington DC, I had the opportunity to meet with Congressman Van Orden. We chatted over lunch about a variety of things. He is again placing our \$3.5 million request for funds for the FQHC construction in WI Rapids into the federal budget as Community Project Funding/Congressionally Directed Spending. Regarding the cuts we are seeing in public health, he reminded me that we truly have no control over that. We need to be flexible, efficient, and creative and when things get challenging, "Take a knee and rehydrate."
- Our team from the health department met with Representation Spiros and have a meeting with Senator Testing coming
 up later this month. We met with Representative Krug last month. The purpose of these connections is to get to know
 one another better, discuss the work and priorities of the health department, answer questions they may have and learn
 about their priorities and how we can support their work in the legislature.

SUPERVISOR OF STRATEGIC INITIATIVES REPORT - KRISTIE RAUTER EGGE, MPH

- Niki Lucht received the Presidential Citation Award from the Wisconsin Public Health Association!!
- Staff updated employee public health competency assessment for workforce development and are developing an individual development process for employees that includes their performance evaluation and training goals, workforce assessment results, and training options to help reach their goals.
- Staff are updating the Community Engagement Guide for the Wood County Health Department.
- Staff met with UW Madison Nursing School to discuss hosting a DNP student for their health policy practicum and are serving as a mentor for a group of three residents in the N2PH residency program.

Quality Improvement/Performance Management

Staff met with another health department to learn and gain insights into their Quality Improvement and Performance Management processes.

Emergency Preparedness

Staff attended a Medical Response Surge Exercise to practice emergency response plans for a family assistance center, risk communication, and resource allocation.

Communication/Branding

The WCHD Annual Report was published and is located on the WCHD Website. The Public Health Policy and Communication Coordinator helped plan and prepare for the next Statewide Public Information Officer Network meeting that is held for communicators in the Public Health field. They attend bi-weekly meetings on the WI DHS/WALHDAB Communication Strategy Workgroup to plan a statewide communications strategy to communicate about public health. Staff are meeting to review and update the identified priority area pages on the Healthy People Wood County website.

CHIP Work

sks.

Staff presented to the Health and Human Service Committee on the Community Health Improvement Plan and staff continue to put together measures to track the Community Health Improvement Plan's progress on the goals & objectives through the Monitoring and Evaluations Plan. Planning has been focused on the best places to distribute the Community Health Improvement Plan and collaborate on efforts. Healthy People Wood County also held an Advisory Council Meeting.

Transportation and Recreation

- The Central Wisconsin Catch-a-Ride Pilot project continues to develop with new meetings scheduled each week with potential partners. To date, 12 letters of support have been collected from local businesses and organizations to help garner support for grants and community donations.
- We're back! The River Riders and Marshfield Community Bike Share programs are ready for you by the end of May.
 Bikes and stations are rolling out throughout May in Wisconsin Rapids and Marshfield, and you can rent a bike for just \$1/hour. Marshfield Locations include Wildwood Park and Zoo, Marshfield Clinic Health System YMCA, Marshfield Fairgrounds, and the Marshfield Public Library. Wisconsin Rapids locations include White Sands Beach Lake Wazeecha, McMillan Memorial Library, and West Grand Ave Bridge. Enjoy this summer with bike share!

Housing

Staff met with Family Health Center to learn more about their RentReady program and assist with referrals to their program. Staff met with a subcommittee of the Wood County Housing Task Force and organizations in surrounding counties to help plan the Central Wisconsin Housing Summit that will be held in April 2026.

Substance Use

- Drug Free Communities (DFC) Support Program: The competing continuation application for Years 6-10 DFC grant was submitted, which included a working action plan and budget for the upcoming fiscal year beginning September 30, 2025. The Action Plan includes underage drinking and youth THC use. Notice of award will be released in August.
- THC Committee:
 - Members of the committee presented at the Northwoods Coalition Summit on April 24 in Rhinelander. The
 presentation shared with other coalitions aimed to improve understanding of psychoactive hemp-derived cannabinoids,
 their legal status, the lack of regulations in the state of Wisconsin, and the efforts of the IMPACT THC committee to
 address youth use of THC products in Wood County.
 - o Members of the committee attended the 6th Annual Teaching Cannabis (and other drugs) Awareness and Prevention Virtual Conference on April 9 & 10. The conference is aimed to teach on recent studies on the impact of cannabis and other substances on the developing brain, heart, and lungs in adolescents. The conference shared strategies for communicating with middle and high school students about cannabis, and how to apply early intervention strategies to prevent and help stop cannabis and other drug use.
 - The committee began a youth-focused survey on THC to gather insights from young people about their perceptions and beliefs surrounding THC use. This survey will be available until the end of May, and the information collected will help guide the committee's efforts to address youth THC use.
 - Additionally, members met with a local THC retailer to discuss the annual meeting with retailers and explore ways they
 can support IMPACT's initiatives aimed at preventing youth THC use.
- Alcohol Workgroup: Members of the committee met with the Wisconsin Alcohol Policy Project team to discuss funding
 for alcohol age compliance checks in Wood County. The project team is working to provide funding for the upcoming
 compliance checks in South Wood County. Additionally, committee members met with a local tavern owner to discuss
 the conditions surrounding alcohol licensing and how temporary licenses impact their business. Staff also updated the
 Wood County alcohol outlet density map.
- RX Committee: The Take Back event occurred on Saturday, April 26, in Wood County. Over 1,400 pounds of medication were collected and disposed of during this one-day event, along with permanent disposal sites. The committee actively promoted the Drug Take Back event through a radio interview and distributed flyers, magnets, and permanent disposal information to local businesses.
- Opioid Task Force Wood County Opioid Settlement: The Wood County Opioid Task Force met April 17 and identified
 two emerging needs for Opioid Settlement funding. Peer support services are being drastically impacted by federal
 funding cuts with the elimination of the Marshfield Clinic AmeriCorps (Recovery Corps) programs and cuts to the
 Emergency Room 2 Recovery (ED2) peer support funding. With so many community partners relying on the established
 peer support services in our communities, the Opioid Task Force voted to approve funding for a Community Health
 Worker position at Wood County Health Department and for Three Bridges Recovery Wisconsin to continue offering peer
 support services in Wood County. The group also determined Wood County Health should apply for match funding
 through Vital Strategies for up to \$100,000.
- Naloxone Direct Program: Wood County Health Department receives free naloxone nasal spray from WI Department of Health Services to distribute to individuals and agencies in Wood County who are at greatest risk, or encounter those at greatest risk, of drug overdose. Naloxone is a lifesaving medication that reverses the effects of an opioid overdose to restore breathing. Overdose Prevention and Naloxone Administration Training was provided to 13 people in April through the MSTC continuing education course and a monthly training for the Adult Day Treatment Group through Human Services. Additionally, 35 doses of naloxone nasal spray were distributed in April, including to a new partner organization, Inclusa. Although we are not able to track all community naloxone data, two individuals reported that two lives were saved by our community naloxone saturation efforts in April. Many of these community saves go unreported, as fewer people are calling 911 for fear of incarceration.
- Drug Checking Technologies: Wood County Health Department applied for resources to check for the presence of potent and potentially harmful substances in the drug supply. Fentanyl and Xylazine test strips are a safety measure to give someone more knowledge of whether these substances are in the drug they are using. Fentanyl is a powerful opioid that is 50 times more potent than heroin and 80-100 times more potent than morphine. Illegally produced fentanyl (non-pharmaceutical) has been showing up in the illicit drug supply since 2013 causing a large majority of current overdose

deaths. Xylazine (or "tranq") is a veterinary tranquilizer not approved by the FDA for human use. This substance has been trending in the Wisconsin drug supply more recently and can complicate an overdose, as there is currently no overdose reversal medication for this type of substance. Fentanyl, on the other hand, is an opioid that will respond to naloxone.

- Public Health Vending Machines: In April, 323 items were vended from the six public health vending machines located in
 Marshfield and Wisconsin Rapids. These machines have been in place since August 2024 and have quickly become a
 known and valuable resource to individuals throughout these communities. The top vended items continue to be
 naloxone nasal spray and drug test strips, although some items are currently out of stock. Funding was secured from
 Marshfield Area Community Foundation to support public health resources for the three Marshfield machines, and
 additional resources have been obtained through Family Health Center of Marshfield.
- LifePoint: Wood County's LifePoint program is a satellite of Vivent Health. The program offers stigma-free support to individuals who use drugs and have barriers to accessing care. According to the CDC, people who are new to using syringe service programs are five times more likely to be connected to treatment services than those who do not. Five individuals participated in LifePoint in April and additionally supported 29 others.
- Marshfield Area Coalition for Youth (MACY) Drug Task Force: MACY plans to contract a Project Manager to oversee
 efforts of the Drug Free Communities grant for North Wood County. With federal funding uncertainties, the MACY
 Steering Committee has decided not to hire a full-time Program Coordinator currently. The Drug Task Force continues
 efforts around primary youth prevention and reducing harms related to adult alcohol and other drug use.
- Providers and Teens Communicating for Health (PATCH): The PATCH teen consultants received enrichment trainings to
 further their education in health insurance and mental health. The teens also participated in their end of the year
 evaluations for data collection with the PATCH program leaders in Madison. The teens built and practiced a mental
 health presentation that included their personal stories involving mental health that will be presented in the community.
 The presentation was done at the Healthy People Wood County Advisory Council meeting.

Mental Health

Staff met with the National Alliance on Mental Illness (NAMI) Portage and Wood County to both share and gain insight on each organization, ongoing efforts, and potential collaboration on Mental Health initiatives in Wood County. Staff developed social media posts and graphics to promote Mental Health Awareness Month.

Financial Security

Staff met with multiple partners to work on the financial security objectives including childcare, food insecurity, and economic development. Staff met with partners to learn more about the Community Eligibility Provision (CEP) Program to decrease youth food insecurity which is a CHIP goal. Staff completed a financial security work plan in the Community Health Improvement Plan.

Wisconsin Rapids Downtown Farmers Market

The Wisconsin Rapids Downtown Famers Market is excited to welcome the community back for another season, starting Thursday, June 12. This year, we're proud to have 40 vendors signed up, offering a wide variety of fresh produce, handmade goods, baked treats, hot foods, and more. The market will open every Thursday and Saturday from 8 am to 1 pm through mid-October. Based on valuable feedback from last season's survey, we've adjusted our closing time to 1 pm to better meet the needs of both our vendors and visitors. In a great show of support, the City of Wisconsin Rapids has installed permanent signage to help guide locals and visitors directedly to our downtown market location. Vendor applications are still being accepted; there's still time to join this vibrant community event.

Central Wisconsin Farmers Market Collaborative (CWFMC)

Staff have been attending Farmers Market Pre-season meetings and introducing the project, completed and sent out a press release, completed and sent out a Central WI Farmers Market Collaborative (CWFMC) e-newsletter, worked on a website copy for CWFMC, implemented a Stevens Point Farmers Market information booth with increased payment technologies, hired a Stevens Point Conservation and Community Planning intern to assist with data collection this summer, and hired two grad students to assist with a payment technology booth in Stevens Point.

ENVIRONMENTAL HEALTH REPORT - BEN JEFFREY, R.S.

TNC Program Review

Staff successfully completed the 2024 annual Transient Non-community Well Review with the Wisconsin Department of Natural Resources earlier this month. Within the 2024 calendar year, staff completed water sampling for 415 well systems throughout Wood, Adams, and Juneau Counties. Staff also conducted sanitary surveys for 93 of those systems that were due for evaluation. The purpose of a sanitary survey is to evaluate eight elements of a water system that are essential for assuring safe drinking water, as well as update department records, provide technical assistance, and identify potential risks that may impact drinking water quality.

Training

Jill Ibarra attended Sanitization for Food Safety: Using Sanitizer Test Strips presented by the National Environmental Health Association. Members of the Environmental health staff attended the Wisconsin American Water Resources Association Annual Conference which included presentations and breakout sessions on Wisconsin's groundwater.

8

New Businesses and Consultations

A pre-licensing inspection was completed for Papabelly's, a mobile food establishment based out of the Arpin area. A pre-licensing inspection was completed for Yum House, a mobile food establishment out of Wisconsin Rapids. A pre-licensing inspection was completed for a new catering business in Marshfield. A pre-licensing inspection was completed for a new short-term rental home in Marshfield. A pre-licensing inspection was completed for Crane Berry Campground in Babcock due to a change in ownership. A pre-licensing inspection was completed for Tommy's Tamales for a new base of operations.

Complaint Investigations

Eleven complaint investigations were completed in the month of April.

- A complaint was received regarding maintenance issues and possible mold in a rental unit. Environmental health staff contacted the landlord and discussed the complaint. No health hazards were identified.
- A caller reported an individual living in a garage with junk outside. Staff investigated the complaint, but no public health hazards were identified. An individual was staying as a guest but has since left and the scrap metal has been removed.
- A complaint was received regarding bedbugs in a rental complex. Staff reached out to the property manager and professional treatment has been started.
- A tenant reported multiple concerns with a rental home. No health hazards were identified. Staff contacted the tenant's landlord to notify them of the complaint for follow-up.
- A caller reported issues with a fuse box and loud noises coming from the refrigerator. Environmental health staff did not identify any public health hazards and notified the tenant that they should reach out to their landlord.
- A complaint was received regarding a food handler at a licensed food establishment preparing chicken without a beard net. Staff conducted a complaint inspection and reviewed hair net policy. Corrective actions are in place.
- A caller reported possible black mold and a hole in the ceiling of a rental unit. Staff contacted the landlord, and the apartment has since been cleaned and the hole will be patched.
- A caller reported mold concerns and no running water at a licensed lodging facility. Environmental health staff completed
 a complaint inspection and discussed the concerns with the owner. No violations were observed at the time of
 inspection.
- A caller reported cockroaches in an apartment unit. Environmental health staff discussed concerns with property manager and ongoing pest control treatment is occurring.
- A complaint was received regarding mold inside an ice machine at a licensed food establishment. Staff completed an onsite complaint inspection. No further follow-up.
- A complaint was received regarding bed bugs in a rental complex. Staff notified the landlord and professional pest control treatment has been ongoing.

HEALTHY SMILES FOR WOOD COUNTY REPORT - NICOLE BURLINGAME, RDH

We have completed our sealant program for 2024-2025, placing 1724 sealants. We are very close to completing our second fluoride applications at most schools and our third fluoride applications at all Wood County Head Starts. We have provided preventative dental care to 3239 children so far this school year.

PUBLIC HEALTH NURSE SUPERVISOR REPORT - ERICA SHERMAN, MSN, RN, IBCLC

Family Health (MCH) & Injury Prevention

See attached summary of 2024 family health and injury prevention programming data. Two Community Health Workers completed the Certified Child Passengers Safety Technician course and exam in April.

Communicable Disease

The measles outbreak continues to impact our southern states. There are now 967 confirmed cases of measles in the US in 2025. No cases have been identified in Wisconsin. We continue to work with our partners, including local health systems, to prepare for measles response locally.

Students

Seven UW-Eau Claire nursing students have completed their projects for the spring semester with the health department. This year's students completed two projects, one focused on researching and designing mitigation strategies for highly pathogenic avian influenza (HPAI) and measles, and the other on an outreach campaign to promote Healthy Smiles program participation.

WOMEN, INFANTS AND CHILDREN (WIC) REPORT - CAMEN HOFER, RD, CD, IBCLC

• The WIC team has started work on a new quality improvement project to revamp the intake process during a WIC appointment. The plan is to complete the intake portion (income assessment, reviewing proof of identity/address, and signing the Rights and Responsibilities form) days or several hours prior to the WIC appointment, so families have more quality time with the WIC Nutritionist or Dietitian to work on health and nutrition related goals. Currently, the intake process takes up 5-10 minutes out of the total 15 minutes allotted for a WIC appointment which limits the amount of

- education the WIC Nutritionist or Dietitian can provide. We implemented this new process starting April 1 and are continuing the quality improvement process as we work through the hurdles.
- Kayla Saeger, our WIC Vendor Manager, has started routine vendor monitoring assigned by the state. During April, WIC vendor monitoring was completed for Pick N Save, Quality Foods, and Walmart, completing 3 out of the 6 assigned vendors for 2025.
- Lilly Valdez resigned from her position as Bilingual Program Support due to her family moving out of state. Her last day was April 29, 2025.

Caseload for 2024 (Contracted caseload 1676)

	Dec 2024	Jan 2025	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

Family Health & Injury Prevention 2024

Family Health

Public health nurses (PHNs) and community health workers (CHWs) provide prenatal care coordination, maternal-child health home visiting, lactation services, and Parents as Teachers programming to improve health outcomes.

Referrals received follow-up for family health services

502 Home and personal visits completed

Families participated in Parents as Teachers

Parents as Teachers group connections held

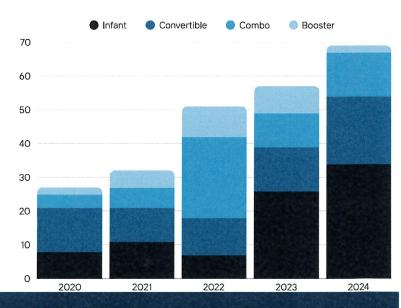

Developmental screenings completed

Injury Prevention

Child passenger safety and Cribs for Kids® programs are educational programs designed to give caregivers the knowledge and skills to prevent unintentional injury/death and improve access to car seats and safe sleep environments.

Pack N Play portable cribs provided to eligible families

69 Car seats provided to eligible families

WOOD COUNTY HUMAN SERVICES DEPARTMENT REPORT May 2025

Director Update by Brandon Vruwink

The State Budget Process is moving forward. The Committee on Joint Finance wrapped up its regional listening sessions and has not begun working on the budget. The first step was to strip out over 600 non-budgetary policy changes the Governor included in his budget proposal. This process is similar to what the committee has done over the past several budgets. Essentially, the committee starts with a base budget and builds from there. Over the next two months, the committee will review each department's spending requests and modify them as they see fit. The effort to connect with our representatives will continue throughout this process. I will continue to provide updates on the process in my monthly report.

Continuing on with the budget topic, there are many discussions occurring within the federal government concerning Medicaid and, to some extent, the Supplemental Nutrition Assistance Program, otherwise known as Food Stamps. The most significant piece we are watching is potential reforms or changes to Medicaid. The one policy change that seems most likely to change is implementing work requirements for Able Bodied Adults Without Dependents aged 18-64. The change would require those receiving Medicaid benefits, who fall in that age range, to complete 80 hours of work or volunteer activities to maintain their benefits. This proposal is like what is already enforced for the Food Stamp program. In addition to the work requirement, there will likely be increased verification and reporting requirements. Instead of verifying eligibility once per year, individuals must verify and complete a case review twice annually. I will continue to track these changes, so we, as a county, are prepared to navigate any policy changes.

The Youth team has completed the mural project at River Block. When you walk into the River Block Building, the mural is on the wall immediately to your left. The art has brightened up the lobby area and caught the attention of many of our visitors. On April 29, we had a reception and recognition ceremony for the Youth who worked on the project. The design is based on a vintage Wisconsin Rapids postcard, which celebrates the city's history.

The Human Services Administrative Team is finalizing the data for our 2024 Annual Report. I am pleased to share that the report will be complete and ready for your review at the June Health and Human Services Committee meeting. Our team does a great job of collecting data throughout the year to create an accurate snapshot of our experiences. I look forward to sharing the completed document with you next month.

Deputy Director Update by Katie Miloch

I, and others from Mental Health Court, attended the Wisconsin Association of Treatment Court Professionals conference last month. This was a great opportunity to further understand treatment court philosophies, share information about resources and treatment options, and network with other counties and providers. Collaboration was the theme of this conference and it's evident that a succinct team approach and united community partners are key to a successful program. I'm thankful for Judge Gebert, Dr. Grimm, and Cara Eggebrecht for taking the time to attend and participate in this training with me.

I also attended the Prevention Summit last week with Family Services Division Administrator, Jodi Liegl. We heard positive outcomes that the state is seeing in terms of less children being removed from their homes. Also discussed were several evidence-based services that the state is looking into to

further promote these efforts. I am excited to follow this discussion and am hopeful our partnership with DCF will bring new and enhanced services to our community.

The Youth Justice team and I had our last meeting of the school year with the school district of Wisconsin Rapids. Overall, the addition of these meetings have increased positive communication and provided a better understanding of how we can work together to support justice involved youth in the schools. I look forward to continuing these collaborative meetings when we pick back up in the fall.

Administrative Services Update by Mary Schlagenhaft

Administrative Services Team members attended various meetings specific to their job duties during the month. These included, but not limited to:

- Conducted April 2025 department budget meetings
- Additional accomplishments: ongoing EHR SmartCare learning, year-end needs, workflows and processes
- Submitted Annual State Revenue (HSRR) and Expense (942) reports. This provides financial information to required monthly Program Participation Services (PPS) data reports advising what our county is providing for Behavioral Health and Substance Use services
- Provided additional 2024 reports for the Finance Department Annual County Wide Audit
- Continued onboarding of Administrative Services Assistant Manager

Accounting and Accounts Payable Team

- Submitted cost reports to Myers and Stauffer (WINHRS)
- Wisconsin Division of Medicaid Services implemented a new FSET vendor portal invoice submission process. Training and instructions were provided, successfully set up of account and submission for March invoice in the new portal.
- 2 staff had attended the CLTS Provider Transition and CLTS Claims Refresher trainings
- Continue working with DHS/Gainwell, transferred all current CLTS authorizations into an a new TPA workbook, adhere to Gainwell's requirement & formatting
- Staff are currently covering some extra shifts at Norwood front desk due to vacancy
- Edgewater team member assisted with 5 new staff orientations.
- Norwood had gathered information needed WI Hospital Association (WHA)
- 1 contract and 7 addendums added for the month of April

Support Services Team

Behavioral Health Clinic service notes: We are transcribing 4/22/25; 5 notes are outside a 14-day window. We currently have a total 84 dictations waiting for transcriptionists as of 5/9/25

Total Service Notes created 181/163 entered

Records Released:

Behavioral Health Records Released: 85 Family Service Record / Background checks released: 23

Records pending/in progress: 8 Total Completed: 108

Other Unit Information

- Support Services Staff updates no vacant positions
- IMS/TCM migration to Laserfiche- <u>in progress</u>- verified list of clients electronic records that need to be retained in Laserfiche was provided to IT on 4/1/2025 for next step in electronic records retention process.
 - Family Services Division Administrator provided parameters of Family Services records retention

- 12 Admin Service staff spent the month of March verifying 34,192 clients in Smartcare OR Sacwis for last enrolled activity dates, ensuring retention requirements of records are met before migration or destruction of client information.
- Dictation Software Updates-Winscribe is sunsetting; Continue to review options and demos for dictation software needs and contract for services; work with IT for new solutions; there is no current contract with Northland & Companies systems it has been negotiated to a temporary monthly invoice.
- HIPAA:
 - 0 HIPAA/ Confidentially breaches investigated /resolved Provided training to OPC Reception
- Privacy/Security: working in partnership with *MetaStar-BH Connect*; DHS funded Security Risk Assessment (SRA) completed.
 - o begin risk mitigation project- develop plan for updating procedures or updating drafts for policies
 - o participate bi-monthly in WI -Behavioral Health County Community (BHCC) Committee
- Participate in JET Guardianships meeting -FS Admin/Supervisors, State and County Judicial collaboration team
- Records Retention: Continue w/ destruction of past retention client documents
 - o FS MFLD records 4th floor & Cornerstone continues
 - o FC MFLD records, continues uploading and purging
 - o RB- FS records destruction/move to vault continues

Claims & Accounts Receivable, Client Interactions

- Ongoing Testing of 270/271 eligibility verification file transfers. Update to Test E.HR software gives greater capability to test current data.
- Review of 835 Electronic file capabilities/EW & NHC. Pending Matrix review of our set up to determine capability
- Monthly A/R review to determine collectability.
- 1 team members on LOA
- Engaged WIPFLI services to assist in Billing all Service Claims at Edgewater. Met with billing specialist to discuss future changes to software to create efficiencies.

Insurance Claims created and submitted for current reporting period

• Norwood: 295 Claims Billed: \$738,869

• Edgewater: 41 claims 647,301

• Community: 3,287 claims submitted in the amount of \$334,253

Service Admission Intakes - by Location

- NHC Admissions: 25 Hospital, 1 LTC
- Edgewater: 8
- Community
 - o 47 intakes for new clients conducted (currently no waiting list for therapy at OPC)
 - o 1,636 appointments scheduled, 1,116 attended (68%)

2025 TRIP Monies received YTD:

Norwood: \$30,146Community: \$26,173

Family Services Update by Jodi Liegl

Out of Home Care Numbers: At the present time, we have the following number of youth in restrictive placements:

piacements.		
Type of Facility	Number of Youth	Cost Per Day Range
Group Homes	3	\$300/day
Residential Treatment Centers	4	\$551.30 - \$768.66/day
Secure Detention	1	\$150 - \$500/day
Corrections	1	\$1000/day
Mental Health Hospital	1	\$1632/day with some MA
(pending accepted placement)		reimbursement
Psychiatric Residential Treatment	1	\$1500/day
Centers (out of state)		

As we continue to assess historical and current numbers, we decided to enter into a contract with Portage County for one bed in their secure detention facility through the rest of this year. To date this year, we have used approximately 180 days of secure detention between eight youth which is high. As mentioned in last month's update, this year three youth discharge from their placement settings emergently due to their behaviors and the facility no longer able to manage them. All three of these youth had to serve time in secure detention until another placement could be located and their admission accepted which contributed to the high numbers. Portage County charges \$225 a day for the use of secure detention without a contract. With a contract in place, the cost is \$175 a day. We have one youth placed in secure detention currently and another youth struggling significantly while in a residential treatment facility which may result in a second unsuccessful and emergent discharge for this youth. We plan to provide intensive services and programming to the youth while in secure detention in hopes of being able to have the youth successfully return to the community and prevent the need for a higher level of care. The youth will receive therapeutic services through our newly created Youth Justice Therapist position as well as intensive skill building from workers while in secure detention.

The one youth in Corrections has been placed at RISE=UP (Respect, Integrity, Service, Excellence = Unlimited Potential), a new program and facility located in Racine, Wisconsin, that just opened. The program is specifically for males and serves as a correctional placement that provides treatment services and credit recovery education services for youth with behavioral challenges.

Training: On April 23rd, the Family Services team participated in an internal training, Signs of Impairment and its Impact on Child Safety. Members of law enforcement from Wisconsin Rapids Police Department and Wood County Sheriff's Department provided education on signs of impairment. This included information about current drug trends in our community, what to look for while in the field and particularly in peoples' homes and assess behaviors during client interactions that may be indicative of substance use. Attendees were able to view drug paraphernalia to familiarize themselves. A mock space was set up with drug paraphernalia for workers to take note of items that may be indicative of substance use. The second portion of the training was facilitated by a trainer with Wisconsin Child Welfare Professional Development System who specializes in training safety in child welfare. The session focused on assessing safety and creating safety plans for families in which substance use occurs.

Personnel: We continue to recruit for a Permanency Support Coordinator position at the River Block location. Permanency Support Coordinators support families after a guardianship or adoption occurs with the goal of preventing disruptions through preventive education and supportive efforts. The

coordinator utilizes strength-based interventions to improve family functioning and stability, build confidence, and strengthen connections within the family system.

Community Resources update by Olivia Lloyd

Transportation: In April, the Transportation program provided 680 bus rides. Of these rides, 256 were for employment, and 75 were for medical. The program also provided 107 volunteer rides. Of these, 26 were for employment, and 58 were for medical.

WHEAP: Since the 2025 heating season began October 1, 2024, Wood County has provided Energy Assistance services to 2231 households. The program has also provided HVAC services to 67 households. The regular season ends May 15th.

Youth Diversion Update by Angela O'Day

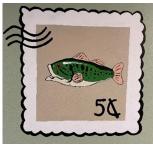

Grant Announcement- Wood County Human Services was awarded the Community Partnerships for Diversion from Youth Justice Grant from the Wisconsin Department of Health Services for the 2025-2029 period. This funding allows us to serve youth through the Adolescent Diversion Program (ADP). ADP services in Wood County began in 2020 for youth ages 12-17 at risk of justice involvement. Two full time case managers with CW Solutions and 2-4 social work interns from the University of Wisconsin-Stevens Point serve youth intensively over a period of 18 weeks. Case managers work one on one with youth and their caregivers in their own environment to set goals for needed behavior change, to make resource referrals to community supports, and to help youth learn and apply skills to achieve their goals. The primary goal of ADP is to prevent youth with mental health and substance use disorders from entering the youth justice system. Local law enforcement, youth justice staff, and school partners identify and refer youth for ADP services.

Youth Project- Seven youth involved in Wood County Human Services youth programming painted a mural in the lobby of the Riverblock building in April 2025. The mural depicts a postcard that states "Greetings from Wisconsin Rapids." Postage stamps with images representing Wisconsin Rapids surround the postcard. The mural allowed youth to serve the community by beautifying a public space and provided them with an opportunity to take on a challenging community project. Staff and clients entering the lobby throughout the project regularly thanked the youth for their service and remarked how much they enjoyed the transformation of the lobby. A small celebration was held for youth and their caregivers to thank them for their work on the project.

Employment & Training Programs Update by Lacey Piekarski

Serving Wood, Portage, Adams, Marathon, Lincoln, Langlade, Oneida, Vilas, Forest Counties
The NorthCentral FSET Program monitors various levels of quality assurance to meet contractual requirements, including customers referred to and enrolling in the program, participation rate once enrolled, and education and/or training activities assigned.

From January – March 2025, the FSET Program exceeded contract minimum requirements:

- Customers referred to FSET and enrolled (Must be > 25%) = 41.75%
- Enrolled customer participation rate in the program (Must be > 40%) = 72.05%
- Enrolled customer participation training or education activity (Must be > 25%) = 41.74%

FSET continues varied outreach methods to referred customers to share program information, especially targeting customers with a FoodShare work requirement. The total caseload increased from 3/3/25 with 897 enrolled customers to 4/28/25 to 929 customers.

Personnel: Due to 2 resignations received in April, we have recently recruited for 3 total FSET Case Manager positions, 1 of which was due to an internal transition. Recruitment is nearing conclusion for positions in Wood County – Wisconsin Rapids (1 position) and Portage County (2 positions).

Edgewater Haven Update by Justin Cieslewicz

Census Update: In the month of April, we had 8 admissions and 7 readmissions. Current Memory Care census is 12 residents. Census comparison to last year:

April 2024 – 47.40 average census with 5.00 rehab April 2025 – 42.87 average census with 8.47 rehab

April 2024 – Admissions 8/Discharges 6/Readmissions 8/Deaths 2 April 2025 – Admissions 8/Discharges 9/Readmissions 7/Deaths 4

Personnel Update: Open positions of writing this: Nursing: Licensed Nurses: 1 Full-time Nurse

Quality Assurance Process Improvement: On April 15, 2025, our Quality Assurance (QA) team met for our quarterly Quality Assurance Process Improvement (QAPI) meeting. At the meeting our QA team reviewed all facility quality metrics and clinical trends in our residents. CMS implemented new requirements on QAPI for discussion and tracking of health equity of our residents which our team implemented at this meeting. A review of Edgewater Haven's facility assessment occurred, and no updates or additions were needed at the time.

Advocacy Update: On April 29, 2025, the State of Wisconsin Legislature Joint Committee on Finance held a listening session in Wausau for constituents to provide input on the state's next biennial budget. Supervisor Rozar and Administrator Cieslewicz attended the event to testify in support for the cost to continue our current nursing home Medicaid reimbursement structure and to support an inflationary increase for the Family Care Minimum Fee Schedule which Family Care Managed Care Organizations are required to pay providers for the care that is provided. LeadingAge Wisconsin will provide continued updates on the status of the state's upcoming biennial budget.

CMS PBJ Audit Results: In October of 2024 Edgewater Haven was selected by CMS to participate in an audit of our Payroll Based Journal (PBJ) process. While information was compiled, Edgewater Haven's Accounting Technician found discrepancies which had resulted from a software glitch in Timestar, the payroll software utilized by Wood County. When the error was discovered, Edgewater Haven was transparent with CMS and began a triple check process of payroll data prior to quarterly submissions.

After seven months CMS has provided a determination to Edgewater Haven. Due to the discrepancy of data that was reported in error, CMS will reduce Edgewater Haven's staffing rating to one-star for a period of three months. The reduction will reduce Edgewater Haven's total star rating for that specific period. After the three months elapses, Edgewater Haven's staffing star rating will return to five stars.

Norwood Health Center Update by Marissa Kornack

Thank you to the committee for allowing Jodi Flaherty, P.E., with CMG & Associates (firm being utilized for the design and architectural work for water supply replacement project) to provide a presentation/explanation of scope and estimated cost at our last meeting. I will plan to invite Jodi back to give another presentation, prior to going out to bid, once final design is completed.

I continue to onboard and train Katie into the assistant administrator position, while also preparing her to step into the administrator role during my leave, beginning in September. Katie has taken over supervisory duties of two positions so far, our Health Information Supervisor and Inpatient Social Services Coordinator. We are working on transitioning over supervisory duties of one more individual in the coming months.

Health Information Department by Jerin Turner

We are currently recruiting for a full-time receptionist and have done some interviews. We are waiting for background checks to come back before offering the position. We are also recruiting for a casual receptionist and have done a couple interviews so far.

Norwood Nursing Department by Liz Masanz

For nurses, we continue to have 2.6 FTEs and three casual positions vacant, which necessitates the continued use of three agency nurses. We also have a full-time nurse off on a 12-week leave. We continue to be unsuccessful in recruiting for these positions, which have been vacant for extended periods of time. Katie and Marissa have been working on collecting local wage data to evaluate our competitiveness.

For CNAs, we do not currently have any full-time positions available, only casual currently, which is very encouraging. We do however have one agency CNA on board covering a full-time staff member on a long medical leave.

Admissions Unit: The average census for the month of April was 8.17 and 7.83 YTD through April. Average length of stay for April was 12.31 and 8.92 YTD. There were twenty-five admissions and twenty-six discharges, with four 30-day readmissions.

The census has continued to stay higher. Head nurse Krissy, and DON Liz, continue to closely watch staffing and census levels to ensure appropriate levels and safety. Social work manager, Nichole, has been keeping in constant communication with our contracted counties regarding bed availability and fielding any concerns from them.

The revised medical clearance screening requirements have been going well and we have been able to admit patients more quickly.

We are still waiting for our CMS survey for the hospital unit, as it has been over four years since our last.

Long Term Care: The long-term care unit had one admission and one discharge in April, with an average census of 11.83 on Crossroads and 14.77 on Pathways, and 12.29 and 13.79 YTD respectively, all of which are above budgeted census.

The team worked to revise policies and procedures to be in compliance with the revised regulations that were implemented at the end of April.

The head nurse position remains vacant. The position is posted, and we are actively recruiting. In the meantime, DON Liz, continues to provide coverage for the role, and the MDS coordinator at Edgewater is completing our MDS assessments.

Norwood Dietary Department by Larry Burt

Congregate meals for the month of April were 5,107 with revenue of \$39,078. Congregate meals year to date were 19,638, with revenue of \$150,285.

Related to the cuts made to the Meals on Wheels Program by the ADRC, Norwood provided approximately 200 meals less in April compared to March, and approximately 800 less meals compared to April of 2024. Total meal difference year to date compared to this time in 2024 are 3,365 less meals. Meal reductions and impact on budget continue to be monitored closely.

We are recruiting for a full-time dietary aide. Interviews and references/background checks are underway.

Norwood Maintenance Department by Lee Ackerman

CIP Updates:

Water Pipe Replacement- The meters were removed, and the resulting data will be used to determine pipe size in the design plan.

Lee met with the Marshfield Utilities Water Systems Specialist to discuss options for accessing water mains for a proposed second water supply option.

Reuben, Marissa, and Lee met with the design engineer several times to discuss the scope of this project which was compiled into a presentation that was given at the April Health and Human Services Committee meeting on April 24th.

Other Maintenance:

Water Management- The water samples tested this month were all negative for legionella. This is a good indicator of the efficacy of the disinfecting system and flushing regimen. However, we have also been advised that positive tests results may be likely in future samples due to the state of our current pipes and water system. Another round of samples will be tested in June.

Severe Weather- It is rare that we have both the annual statewide tornado drill and an actual tornado warning in the same month, but this April was an exception. The planned tornado drill was run on April 10th and the response was very good from both staff and residents. A tornado warning was issued for Marshfield on the evening of April 21st. An After-Action Report is being gathered to evaluate this occurrence, staff response, emergency plan, etc. with the intention of identifying areas we need to improve upon, and areas in which we did will.

CVSO Report to the Wood County Health and Human Services Committee

Meeting Date: May 22, 2025

April 2025 Activity: During the month of April, we completed/submitted 220 federal forms to include:

- 31 Intent to file a claim (this marks the effective date while we assist the veteran in gathering all the required supporting documentation)
- 14 Appeals Higher Level Review, Notice of Disagreement (appeal), appeals to Board of Veterans Appeals (Veterans Law Judge).
- 21 New claims for disability compensation
- 0 New claims for veterans' pension
- 0 New claims for surviving spouse benefits (DIC or surviving spouse pension)
- 10 New applications for VA Healthcare
- 23 Appointments of Claimants Representative (POA for American Legion, VFW, DAV etc.)
- 15 Burial and marker applications
- 21 Request for individual's VA medical records *

 *Request for VA medical records is a newly reported form; in addition we request many non
 VA medical records using the private providers procedures (then we have to read them).

Activities:

- 1. Completed as of May 15, 2025:
 - a. April 17 Wisconsin Department of Veterans Affairs Virtual Training.
 - b. April 29 Wisconsin legislature Joint Finance Committee Public Hearing. Spoke on behalf of Increased state funding for the Veterans Outreach and Recovery program.
 - c. May 5-9 CTVSO Association spring training conference in Superior WI.
 - d. May 13 Tomah VA Medical Center's Director legislative Representative and CVSO quarterly meeting.
 - e. May 14 Interviewed by Wisconsin Public Radio Wisconsin Today- topic proposed Federal VA Budget.
 - f. May 15 Veteran Service Commission meeting.
- Near Future:
 - a. May 20 VA Regional Office Director's Veteran Service Officer call in.
 - b. May 23 Master of Ceremonies for Wood County Veterans Memorial -Dedication Ceremony.
- 3. Long range July 23 Wisconsin Rapids Veterans Expo at Crossview Church.

Office updates:

- 1. CTVSO Association of Wisconsin' request to Joint Finance to fund the 7 LTE Veteran's Outreach and Recovery Staff. Thes 7 positions are currently ARPA dollars and expire this June. These added positions moved Wood County from a 8 county region to a 4 county region. This provided an earlier response time and greater attention to our at risk veterans. (see attached letter to joint Finance Committee). Note-That increase was not in the Joint Finance substitute amendment.
- 2. President's Budget request to Senate Appropriations Committee. Additions or subtractions to current funding levels of the Department of Veterans Affairs.

- Medical Care- +3,309 million-VA Medical Centers and community care- In **combination** with mandatory funding from the Toxic Exposure Fund of 50 billion. Includes 1.1 billion for the President's commitment to ending Veteran's homelessness (to augment VA existing case management and support services to help Vet get Back on their feet).
- Electronic Health Record modernization- +2,173 million (allows VA other federal partners and community care partners.
- Information technology- (493 million) The budget protects VA core mission systems that deliver Health care, Benefits, and cemetery services. Addresses DOGE to Service team will conduct the review.
- General Administration- (37 million)
 - Eliminate DEI programing
 - Reduce non-essential outreach activities
 - Institute a Reduction in Force to cut bureaucratic overhead in line with Presidents Exec order 15210
 - Provides funding for critical VA missions providing healthcare, Benefits and Cemetery services.
- 3. Veteran's Service Commission is running low on approved funding for veteran's relief and will be seeking authority to use a portion of its non-lapsing fund.

OFFICERS

Greg Quinn, Dunn President

Crystal Knoll, Vernon 1st Vice President

Clayton Ruegsegger, Green 2nd Vice President

Dan Connery, Dane, Training Co-Chair
Tami Inman-Stoker, Rusk, Planning Chair
Colin Moten, Juneau, NACVSO Delegate

April 24, 2025

To: Wisconsin State Legislature Joint Committee on Finance

RE: Request for Veterans Outreach and Recovery Program (VORP) limited term employees (LTE) to be funded as permanent full-time employees (FTE).

The County and Tribal Service officers Association of Wisconsin supports the increased funding requested for VORP.

VORP is a voluntary case management program that works with veterans to identify issues and barriers which prevent them from living the life they want and uncovering solutions to achieve their goals. VORP Eligibility-All who have served in any component of the United States Armed Forces, including those who previously served and/or continue to serve in National Guard and Reserve, are eligible. Any discharge status other than Dishonorable is accepted. VORP works with individuals experiencing housing instability, mental health issues, substance use, incarceration, and other identified barriers.

In the September of 2022, the Governor's Blue-Ribbon Commission on Veterans Opportunity recommendation F2 was to significantly expand VORP staffing for the purposes of decreasing geographical barriers to access, increasing outreach capacity, building additional partnerships, improving capacity for direct response, and providing staff recovery time needed to continue providing high quality services.

As a result of this recommendation the Governor using America Rescue Plan Act (ARPA) funds provided seven LTE positions two clinical coordinators, and five outreach recovery coordinators. These LTE positions were funded in 2023 and will expire on June 30th, 2025.

As a result of this funding the eleven regions (average of 6.5 counties per region) was increased to sixteen (averaging 4.5 counties per region).

In the Fiscal year 2026 and 2027 budget request by the Wisconsin Department of Veterans Affairs requested to expand the current FTE in this program by seven (costing \$512,900 in FY26 and \$602,800 in FY27). This increase would include converting the current 7 LTE to FTE. Without permanent funding by the legislature this would return the program to 11 regions averaging 6.5 counties per region. With the return to 11 regions, this will mean veterans experiencing longer wait times for enrollment and prolonged access to services while adding more windshield time for the coordinator to provide services. Overall, reducing the direct services time of case management and other vital program efforts, such as suicide prevention among these veterans and community partners.

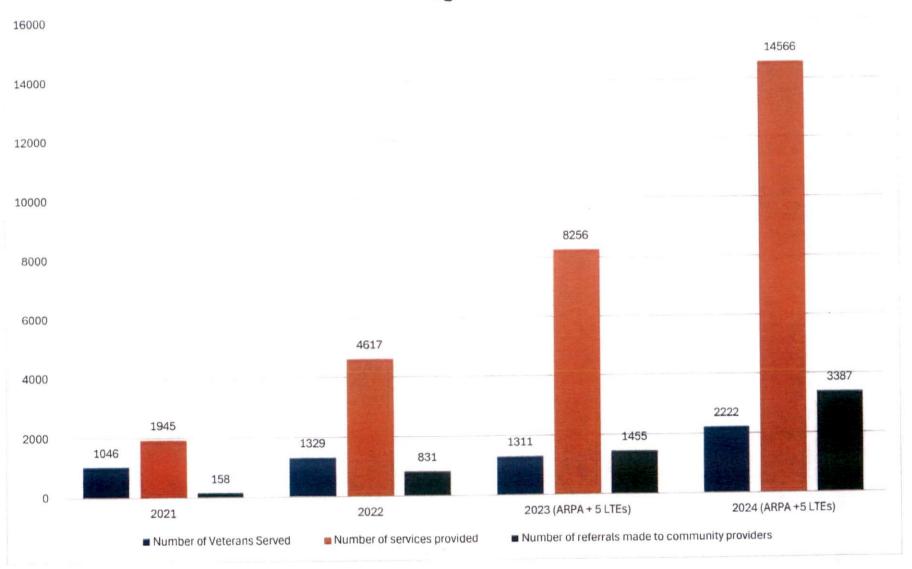

The attached graph indicates the tremendous increase in veterans served and services provided to our at-risk veterans during the period the LTE regional outreach coordinators were working providing smaller regions statewide.

Sincerely,

Rock Larson

Chairperson, Legislative Committee Rock.larson@woodcountywi.gov

Wisconsin Department of Veterans Affairs Veterans Outreach and Recovery Program

INTENT & SYNOPSIS: To support the transition of a current RecoveryCorps member into a full-time Community Health Worker role focused on opioid and substance use prevention, harm reduction, and recovery support.

FISCAL NOTE: Salary and benefits will initially be supported with Opioid Task Force funding (\$75,000); thereafter future funding will be sought through diversified funding mechanisms, partnerships, and public health grants for position sustainability.

WHEREAS, studies on peer recovery support for individuals with substance use disorder found improved relationships with providers and social supports, reduced rates of relapse, increased satisfaction with overall treatment, and increased treatment retention (Reif, S., et. al. (2014). Peer recovery support for individuals with substance use disorders: Assessing the evidence. *Psychiatric Services*, 65(7), 853-861.), and

WHEREAS, peer-supported recovery offers numerous benefits including accountability, practical advice, and connections with resources to help reduce relapse rates, improve access to social support, and enhance overall treatment satisfaction, and

WHEREAS, the RecoveryCorps member has built strong trust and impact with a growing demand for peer-based support, and

WHEREAS, this transition into a full-time Community Health Worker (CHW) position builds sustainability into existing work and expands vital services, and

WHEREAS, the CHW will continue supporting the Life Point Program by providing peer support, harm reduction, and overdose prevention, and

WHEREAS, the CHW will carry a caseload of individuals in recovery or active use, and

WHEREAS, the CHW will implement strategies from the Community Health Assessment and Community Health Improvement Plan, and

WHEREAS, the CHW will support outreach, education, and engagement to reduce stigma and strengthen recovery pathways.

NOW THEREFORE BE IT RESOLVED, the Wood County Board of Supervisors approves the FTE increase by creating one (.97 FTE) Community Health Worker position to directly support Wood County's response to the opioid crisis.

BE IT FURTHER RESOLVED, when grant funds are no longer able to support the position in full, the Health Department will review all department FTEs during the budget process with the oversight committee to prioritize programs and make sure continuance is justified and budget parameters are met.

Adopted by the County Board of Wood County, June 17, 2025

INTENT & SYNOPSIS: To amend the Health Department's 2025 budget (54121) for the purpose of disbursing Opioid Settlement Funds.

FISCAL NOTE: No cost to Wood County. The source of funding is unspent Opioid Settlement Funds. The adjustment to the budget is as follows:

ACCOUNT	ACCOUNT NAME	DEBIT	CREDIT
48900	Other Misc Revenues	\$25,000	
54121	Grants & Donations		\$25,000

WHEREAS, the Opioid Task Force recommended the use of opioid settlement funds towards Three Bridges Recovery Wisconsin, Inc., and

WHEREAS, studies on peer support found improved relationships with providers and social supports, reduced rates of relapse, increased satisfaction with treatment, and increased treatment retention (Reif, S., et. al. (2014).), and

WHEREAS, Three Bridges Recovery Wisconsin, Inc. was formed as a result of grassroots efforts through the Wood County Drug Task Force and has been awarded Emergency Department to Recovery (ED2) grant funding since 2018, and

WHEREAS, from January 2022 to present, 592 individuals in Wood County have benefitted from peer recovery support through Three Bridges Recovery, and

WHEREAS, more than 30 community organizations have partnered, collaborated, and/or contracted with Three Bridges Recovery to offer their invaluable services, and

WHEREAS, Wisconsin Voices for Recovery suddenly announced a cut in ED2 Recovery funding to Three Bridges Recovery in April 2025 for established hospital emergency departments such as Aspirus Wisconsin Rapids Hospital, causing a major loss in program funding, and

WHEREAS, Three Bridges Recovery has relied on ED2 Recovery funding as a major funding source to provide free peer recovery services to individuals in many settings such as Wood County criminal justice programs, community-based referrals and self-referrals, and

Adopted by the County Board of Wood County, June 17, 2025

WHEREAS, Three Bridges Recovery employs Recovery Coaches who have lived experience to support peers who are in need of connection, support, and guidance to find treatment and sustain long-term recovery, and

WHEREAS, rule 26 of the Wood County Board of Supervisors states that "an amendment to the budget is required any time the actual costs will exceed the budget at the function level".

NOW THEREFORE BE IT RESOLVED, to amend the Health Department budget for 2025 by appropriating \$25,000 of unspent Opioid Settlement Funds (48900) to Public Health (54121), and

BE IT FURTHER RESOLVED, that pursuant to Wis Stats 65.90(5) the County Clerk is directed to post a notice of this budget change within 15 days.
