Rick Clark,

Midwest Farmer, Private Consultant

This year's virtual expo will kick-off with a half-day event featuring Rick Clark, a nationally renowned fifth generation farmer known for his unique system of building soil health while remaining profitable, and his willingness to share these strategies with other farmers.

Join us FREE from the comfort of your home or shop, for a morning of idea sharing and discussion about what it means to farm green and the soil health and financial benefits that can come from reducing inputs and diversifying crop rotations on your farm.
