AGENDA HEALTH & HUMAN SERVICES COMMITEE

DATE: Thursday, January 25, 2024

TIME: 5:00 PM

LOCATION: Wood County Annex & Health Center – Classroom

1600 N Chestnut Ave

Marshfield, WI

- 1) Call to Order
- 2) Declaration of Quorum
- 3) Public Comments
- 4) Consent Agenda:
 - a) Review/approve minutes from previous committee meetings
 - b) Review Department Head/Supervisor Monthly Reports/Narratives, Information Material, & Financial Statements and/or Quarterly Reports
 - c) Approve Department Vouchers: Edgewater Haven, Health Department, Human Services, Norwood Health Center, Veterans Service
- 5) Discussion and consideration of item(s) removed from consent agenda
- 6) Updated 2024 meeting dates

7) HEALTH DEPARTMENT

- a) Resolution to amend the 2024 Public Health budget to include 2023 unspent funds for projects that will be using American Rescue Plan Act (ARPA) funding
- b) Child Care Update

8) HUMAN SERVICES

- a) Wood County out of home care data
- b) Human Services request to convert a contracted position to a county employee
- c) Request for Human Services Staff member to attend the Trust-Based Relational Intervention Training held in Houston, Texas March 18-22, with all expenses paid through scholarship and grant funding
- d) Resolution to amend the Human Services, Norwood Health Center 2024 Capital Projects budget to include 2023 unspent American Rescue Plan Act funds to complete projects that have carried over to 2024
- e) 2023 WI DHS Long-Term Care Market Study and 2010 Edgewater Strategic Plan
- f) 2023 Human Services Budget Resolution.
- g) Human Services request to solicit donations for children in out of home care
- 9) Legislative Issue Updates
- 10) Future Agenda Items
- 11) Next Meeting(s):
 - a) Edgewater Haven Donation Adhoc Committee, Thursday, February 22, 2024, 4:00pm, Edgewater Haven
 - b) Thursday, February 22, 2024, 5:00 PM, Edgewater Haven
- 12) Committee may go into closed session pursuant to 19.85(1)(f) Wis. Stats. To consider leave of absence request(s)
- 13) Return to open session
- 14) Adjourn

MINUTES HEALTH & HUMAN SERVICES COMMITTEE

DATE: Thursday, December 21, 2023

TIME: 5:00 PM

PLACE: River Block – Rm 206

MEMBERS PRESENT: Adam Fischer, Donna Rozar, Tom Buttke, John Hokamp, Lee Thao,

Rebecca Spiros (WebEx), Lori Nordman

MEMBERS EXCUSED: Kristin Iniguez, Mary Jo Wheeler-Schueller

OTHERS PRESENT: Trent Miner, County Clerk; See attached sign-in list.

1. Chairman Fischer called the meeting to order at 5:00 PM

2. Chair Fischer declared a quorum present.

3. There were no public comments

- 4. The consent agenda was presented for approval. Fischer pulled pages 10 & 14 for further discussion. Fischer congratulated Katie Miloch, the newly selected Deputy Director of Human Services. Norwood Administrator Kornack provided an update on the criminal case against a former Norwood employee. Motion by Buttke/Thao to approve the consent agenda. Motion carried unanimously.
- 5. The tentative dates for the HHS Committee meetings was presented. Motion by Rozar/Hokamp to approve the dates and locations, with Edgewater Haven being added to the rotation. Motion carried unanimously.
- 6. Erica Sherman, Public Health Nurse Supervisor, did a presentation on Parents as Teachers. This program helps families boost their children's health, safety and ability to succeed in kindergarten and beyond. She reviewed the model and curriculum as well as the goals, essential requirements, and anticipated outcomes. Questions & answers followed.
- 7. Health Director Smith reviewed the Opioid Settlement Plan and the resolution authorizing the spend down of the funds received as a part of the settlement. The expenditures out of this fund would be reviewed each year and be dependent on what is in the fund. Motion by Hokamp/Buttke to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.
- 8. Vruwink updated the committee on the status of Wood County children being placed at Lincoln Hills or Copper Lake Schools. In 2024, there are 3 children expected to be placed at different times throughout the year. The expense was noted and discussed. This could negatively affect the Human Services budget in the future if the trend continues.

- 9. Vruwink informed the committee of possible upcoming grant opportunities as it relates to school truancy and mental health. Motion by Buttke/Hokamp to support application of these grants. Motion carried unanimously. Vruwink will keep the committee apprised of applications going forward.
- 10. Vruwink announced that Wood County has been awarded another 5-year grant to administer FSET. We are only one of two counties selected, and this is the third 5-year contract we have been awarded.
- 11. Future meetings: Thursday, January 25, 2024 Norwood Classroom
- 12. Motion by Rozar/Hokamp to move into closed session pursuant to 19.85(1)(f) Wis. Stats. to consider leave of absence requests. Motion carried unanimously.
- 13. Motion by Thao/Hokamp to return into open session. Motion carried unanimously.
- 14. Chairman Fischer declared the meeting adjourned at 5:54 PM.

Minutes taken by Trent Miner, County Clerk, and are in draft form until approved at the next meeting.

ADMINISTRATIVE REPORT - SUE SMITH, RN.

<u>Opioid Settlement Plan and Resolution</u> – The plan and resolution passed unanimously in the Judicial and Legislative, Public Safety, HHS, and Operations Committees. They also passed full county board unanimously.

<u>Child Care Update</u> – This is an agenda item this month to give us an opportunity to discuss it and respond to any questions. The Child Care Task Force met on January 4 to discuss the progress made with the Dream Up grant and the updated ARPA request for funding. I've placed the presentation done for the ARPA Committee in your packet. In addition, here is a synopsis of recent work conducted by Childcaring, Inc. thanks to the Dream Up grant.

- Goal 1: By February 2024, provide two opportunities for childcare providers who operate in Wood County to come together to network, collaborate, and engage in shared learning events.
 - Childcaring, Inc. staff planned and facilitated a two-day collaboration, through a supportive and facilitated cohort, with directors/administrators from Wood County to build relationships and shared services. Eleven directors attended. Participants were asked to participate in a gallery walk that included the following questions: What are the core operations you need to keep your program open? What are the challenges you face when operating/running your program? What is going well in your center? What are ways we, as center directors/administrators, can work together to share operating services? The second session was held on November 29 with 12 directors attending. The Dream Up/Child Care Task Force Chairs were invited to provide updates and information about the current work of the group. The conversation continued, furthering the discussion from the first session breaking down the topics into four main categories; staff, training/education, services, and supplies. The directors talked about ways to work together to cut down on cost and time through shared services. They were able to network and discuss possible ways to work strategically to best support their program and business. Some of the topics discussed included teacher/sub pool, farm to table/food coop, bulk ordering as a group, local resources and making connections for all programs, cleaning services, continuation of the director group, etc. The directors found commonality in their struggles and support through conversation about steps to move forward. Each participant received \$108.70 per cohort attended.
- Goal 2: By February 2024, provide 16 group child care providers with grant funding to be used for things like employee recruitment and retention or expansion.

Childcaring, Inc. staff are finalizing the grant application, guidelines, reports, and introductory emails. There are now 15 full-day regulated group child care centers serving infant/toddlers and older children. All 15 applied for this funding, so each received \$4,250 before the holidays (\$63,750 total). Reports with receipts are due by 2/2/24.

<u>Communicable Disease Prevention and Control</u> – I was able to attend the webinar series part one of three: "Wisconsin's Public Health Laws in Preventing and Controlling Communicable Diseases". If you're interested in viewing the recording of the presentation, it is available here: https://vimeo.com/902220265/74b28da069?share=copy

<u>ARPA Requests</u> – The ARPA Committee met on January 23 at 9am in Room 114 of the Courthouse. We partnered on two requests. One was for another \$450,000 for the Federally Qualified Health Center construction in Wisconsin Rapids. This would round out the county's contribution at a total of \$3 million of the approximately \$17.5 million project. The other was for funding to support the child care system in Wood County.

<u>Dental Care at Norwood</u> – Staff have been working with Marissa to develop a plan for our Dental Hygienist to provide some limited dental care to patients at Norwood. Arrangements are in process.

COMMUNITY HEALTH IMPROVEMENT PLANNER REPORT - KRISTIE RAUTER EGGE, MPH

Staff attended the Wood County Housing Task Force meeting and the Heart of Wisconsin Community Leadership meeting. Staff are working within the Community Leadership group on a project to create a free recreation and tool share for the community. Staff organized part three of implicit bias training for all staff.

Communication/Branding

Staff continues to work with the AmeriCorps member to develop branding and communications for Healthy People Wood County. Several updates are being made to the community health website. A year-end communication report for both Healthy People Wood County and Wood County Health Department is being created to go over successes from 2023 and opportunities for 2024. Staff organized a transforming narrative training for all staff and are updating the Wood County Health Department Workforce Development Plan.

Community Health Assessment (CHA)

CHA Survey closed December 15 and our final number of responses was 3215, which is more than double the most responses we've ever had in previous years.

- 3215 total responses including online & paper
 - o 3172 English responses
 - o 43 Spanish responses
- 2770 online survey responses
 - o 2744 English
 - o 26 Spanish
- 445 paper surveys completed
 - o 428 English
 - o 17 Spanish
 - 258 of these completed at vaccine clinics with the CHWs

Staff completed a draft of the Community Health Assessment Survey Report. A Wood County Health Department Intern, Zoe Waltz, created draft Data Fact Sheets on various health priority areas. The Data Fact Sheets included both primary and secondary data around a given health priority area to allow for a more objective view of the state and urgency around a health priority based on the existing data for Wood County and how it compares to state and federal level data. Two Data Deep Dive meetings were held to share Community Health Assessment Survey results and additional secondary data with community leaders. Community leaders completed a prioritization survey to narrow down the top health issues that will be included in the Community Health Improvement Plan and will determine what will be focused on for the next three years. Staff are currently conducting biannual Community Health Improvement Plan Monitoring meetings to update the monitoring plan. Staff completed 11 one-on-one interviews through the qualitative data grant to learn the impacts of COVID-19. Zoe concluded her internship in December. Aidan Stotz, a UW-Madison student, will be serving as the new Health Department intern to provide additional capacity for the data efforts of the Community Health Assessment. Aidan's primary focus will be to analyze the qualitative data (the open-ended responses) from the survey, which will provide supplemental information for the overall decision-making process.

Community Health Improvement Plan

- Housing: Staff are continuing to plan and prepare for the Wood County Housing Summit on March 7. Additional research is being done on potential solutions to improve affordable housing.
- Incarceration: Edits were made to the Electronic Monitoring Program (EMP) survey that the UniverCity Year students drafted, and it is now being implemented by the EMP Coordinator and EMP clients. The first survey was taken on January 9. The plan is to have all participants take the survey during intake and monthly thereafter. Results will be compiled and analyzed to see what is working well and what areas could be improved.

IMPACT

- Substance Use Survey Results: IMPACT met on December 6 and heard from two UWSP practicum students who presented the results of the 2023 Wood County Opinion Survey on Substance Use. There were 25 people in attendance, and the data will be used to help inform future initiatives, as well as help evaluate whether our current initiatives are making a difference in the community. Survey results can be requested from Jacob Wagner: jacob.wagner@woodcountywi.gov
- Community Engagement:
 - IMPACT members met with representatives from the Hmong and Hispanic communities. A representative from each community signed up to be a part of the IMPACT team to bring the representation of their communities within the work on IMPACT. It is vital to be intentional about reaching populations within our community that we don't always have represented at the table.
 - An IMPACT orientation was also provided to a Marshfield Clinic representative in December. Regular community
 mapping and outreach ensure that we are including multiple individuals and organizations that make up our community
 so that we can have a collaborative approach to addressing substance use.
 - IMPACT was present at a holiday health resource fair on December 15, hosted by the Health Department and H2N.
 Resources were distributed to attendees, and four individuals signed up to become a part of IMPACT. During the event, IMPACT members also presented on WIRI Radio, promoting IMPACT's work and how to become a part of the team.
- Alcohol Workgroup: The Alcohol Workgroup held a planning meeting with representatives from the Marshfield Police
 Department and Marshfield Clinic for Place of Last Drink (POLD), alcohol age compliance checks, and to discuss
 additional data for community needs around addressing alcohol. An additional meeting was held with the Director of the
 Wisconsin Alcohol Policy Project to help plan for future discussions with other community members including law
 enforcement and policymakers. With the new alcohol bill in place for WI, a team is developing an action plan and next
 steps to implement best practice solutions to prevent underage drinking, reduce excessive alcohol use, and prevent
 injury and death.
- THC Committee:
 - Two UWSP students completed their practicum with the Health Department and IMPACT, which was focused on measuring youth access to psychoactive hemp products in Wood County. The students conducted a community scan of establishments selling hemp-derived cannabinoid products, looking specifically for whether retailers are verifying

- age, whether they post signage for the age of sales, and how products are marketed. The students worked with Health Department staff to analyze the results of the scans. A presentation and handout with scan results were developed, and the students will have the opportunity to present their findings at the THC committee meeting in January.
- Wood County Health Department is participating in a State Council on Alcohol and Other Drug Abuse (SCAODA) Hemp Ad-Hoc Workgroup. The Workgroup is researching evidence-based and best practice recommendations for state, regional, and local strategies that can prevent youth access to hemp-derived products that have been shown to be harmful to the developing adolescent brain. A report of recommendations will be presented to SCAODA, and the Council will either adopt or reject the recommendation report. Past reports have been published on the Wisconsin Department of Health Services website: https://www.dhs.wisconsin.gov/scaoda/adhoccommitteereports.htm
- WI Wins Program: A round of tobacco compliance checks was completed in December. Ten retail locations were
 checked, with 1 retailer selling a tobacco/nicotine product to a youth volunteer. This retailer was given additional
 educational materials as a reminder of what the federal law requires. The other retailers received a letter congratulating
 them on passing their compliance checks. Each retailer was also given a postcard as a reminder of tobacco 21.
 Volunteers must be under the age of 18, as our state law does not currently match the federal Tobacco 21 law.
- Dose of Reality Roundtable: Wood County Health Department participated in a Dose of Reality roundtable discussion in Wausau hosted by the Wisconsin Department of Health Services (DHS) and Department of Justice (DOJ) with Governor Tony Evers, Attorney General Josh Kaul, DHS Secretary-Designee Kirsten Johnson, and DHS Policy Director and Acting Director of Opioid Initiatives Paul Krupski. These roundtable events took place at various locations across the state and brought together local communities who are working toward preventing overdose deaths in the state and helping those struggling with opioid use. The event provided the opportunity to share what our plans would be with Opioid Settlement funds, as well as the struggles our community continues to face.
- Providers and Teens Communicating for Health (PATCH): The PATCH teen educators have been fast at work building a presentation on vaping for the Marshfield School District. The teens have also been building a presentation on youth leadership in the community that will be presented at the Youth in Action Summit in Wisconsin Dells. In December, the PATCH teens heard from presenters from the Family Center regarding sexual violence and rape culture as well as hearing from a presenter on healthy boundaries in relationships.
- Partner Support: The Marshfield Area Coalition for Youth (MACY) Drug Task Force held strategic planning meetings around writing two federal grants: Drug Free Communities (DFC) Support Program, and Strategic Prevention Framework-Partnerships for Success (SPF-PFS). The DFC funding was held in Marshfield at one time, but since that time, the coalition has formed its own 501(c) 3 and expanded the scope of its service area to include surrounding communities. The SPF-PFS grant would allow for additional capacity around mental health and substance use initiatives. Healthy People Wood County will support the grant applications for "northern" Wood County.
- LifePoint: The LifePoint Program continues to see an increase in participants and is seeing several used syringes returned for proper disposal. One of the main goals of the program is to improve community health and safety, so seeing these numbers increase is a benefit to the entire community. The program saw 15 individuals in December, with those participants reporting helping an additional 40 others. We do see participants who share that they do not need supplies for themselves, but they are trying to help others be safer and get them connected to helping resources. We have had several accounts of participants who have shared they are interested in treatment, and we have been able to connect them to various community resources. Methamphetamine continues to be the top-reported drug of choice among program participants. With the nature of our current drug supply, we know there to be increased danger of fentanyl (a powerful opioid) being mixed in with the methamphetamine supply, so we make an effort to provide this education and encourage all participants to become trained, have nasal naloxone spray (Narcan) available, and test their drugs before use with fentanyl test strips. In 2024, LifePoint staff will begin collecting data on what impact fentanyl test strips have on changing the way people use drugs. This type of data is collected through Vivent Health, and their data shows significant changes that indicate people who use drugs want to stay safe, even though they are living with a substance use disorder.
- Narcan Direct Program: Wood County Health Department distributed 54 Narcan kits in December, including restocking
 Marshfield Police Department and training individuals participating in the Adult Drug Treatment Program through Human
 Services and LifePoint. In December, nine individuals were trained in administering Narcan.

Safe Kids Wood & Clark Counties

Staff entered Child Death Review cases into the reporting system and completed end-of-year reporting. Staff hosted the Trunk or Junk Campaign at Pittsville Elementary - and gave away materials to those who drive to help them prepare for winter (little shovel, scrapers, etc.). We had our first Safety City Planning meeting and plan to start Safety City back up in Marshfield the week of June 17.

ENVIRONMENTAL HEALTH REPORT - BEN JEFFREY, R.S.

Lead Safe Homes Program

Applications will continue to be accepted for qualifying families and landlords located throughout Wood, Adams, and Juneau counties. Lead can affect a child's brain development, growth, and cause lifelong health issues. Preventing lead exposure is important as there is no safe level of lead. To learn more about the program and/or to find out if your home qualifies visit: https://www.dhs.wisconsin.gov/lead/lshp.htm

January is radon awareness month. Radon is a naturally occurring gas that is radioactive and can cause lung cancer. About 1 out of 10 homes in Wisconsin has high radon levels. Radon test kits are available for \$5 from the Wood County Health Department during the month of January. Environmental Health Staff are completing radon trainings this month as well. These trainings include radon mitigation strategies as well as radon measurement techniques.

New Businesses and Consultations

A pre-licensing inspection was completed for Cupcakes on 8th in Marshfield. A pre-licensing inspection was completed for Pizza Hut, as they are opening a new location in Wisconsin Rapids. A pre-licensing inspection was completed for Misty's Menu due to new ownership. A pre-licensing inspection was completed for Bucks N Berry's in Babcock due to new ownership.

Complaint Investigations

Seven complaint investigations were received in the month of December.

- A complaint was received regarding maintenance issues going unfixed in an apartment complex. Staff spoke with the landlord and the issues have since been fixed.
- A caller reported animal feces in a rental home. Staff spoke with the landlord and determined a health hazard was not
 present.
- A caller reported bedbugs inside a rental home. Staff issued orders and treatment for bedbugs has begun.
- Staff received a complaint from an employee at a licensed food establishment. The complaint was not related to the health department's purview and the manager was notified.
- A food illness complaint was received. Staff conducted a complaint inspection at the licensed food establishment. No violations were found at the time of inspection.
- A complaint was received regarding a lack of hair restraints being used at a licensed food establishment. Staff completed
 a complaint inspection and provided education for the food handlers at the time of the visit.
- A caller reported bedbugs in a housing complex. Staff contacted the landlord and professional treatment is already underway.

HEALTH PROMOTION AND CHRONIC DISEASE TEAM REPORTS

Oral Health Program - Nicole Burlingame, RDH

The sealant program is in progress at the elementary and middle schools. We are continuing to provide oral screenings, education, and fluoride varnishes. The first fluoride varnish visit has been completed at all of the Wood County Head Starts and the second fluoride varnish visits have begun. We have provided preventative dental care to 1475 children so far this school year.

COMMUNICABLE DISEASE & FAMILY HEALTH AND INJURY PREVENTION REPORTS - ERICA SHERMAN, MSN, RN, IBCLC

Parents as Teachers (PAT)

January's PAT group connection included a time to celebrate the New Year and reflect on 2023 with our PAT families. More than 40 individuals attended our PAT holiday group connection in Marshfield on January 5. The group connection included story time and early literacy promotion, a craft, food, and a reflection/goal-setting activity.

Maternal-Child Health (MCH)

We are wrapping up reporting requirements for our MCH block grant. The 2023 focus was on developmental screening and social connections. In 2023, five of our staff were trained in administration of developmental screening tools (ASQ-3 and ASQ-SE2). Thirty-two screenings were conducted on infants and children under age 3 years since June 2023.

Emergency Preparedness

Efforts are being made to establish regular department-wide mini training sessions on hazard vulnerability areas within Wood County. These trainings will be administered to health department and emergency response staff within the county. Our Emergency Preparedness Coordinator is collaborating with Emergency Management to identify, assess, and implement training consistent with the Wood County Integrated Preparedness Plan for 2023-2026.

Communicable Disease

See attached Quarter 4 and 2023 Year-to-Date table of reportable diseases. There have been three pediatric RSV deaths in Wisconsin since November 1 (none in Wood County). Influenza-like illness is high. RSV, influenza, and COVID-19 are all circulating widely (Wisconsin Department of Health Services).

WOMEN, INFANTS AND CHILDREN (WIC) REPORT - CAMEN HOFER, RD, CD, IBCLC

- WIC started hybrid appointments on August 10 under the new ARPA waiver that allows remote appointment options through September 2026. Under this waiver, WIC needs to gather height, weight, and hemoglobin results either from referral data from a provider or in the WIC office. We have 1-5 families coming for an in person appointment each clinic day. The rest remain virtual.
- WIC currently has a position open for a casual WIC Nutritionist/Health Educator.

WOOD COUNTY HUMAN SERVICES DEPARTMENT REPORT January 2024

Director's Report by Brandon Vruwink

The Human Services Department struggles to attract interest for our licensed mental health positions. The recruitment of licensed professionals is not unique to Wood County, as there is a shortage of professionals statewide, particularly those interested in taking on management and clinical roles. Tiffany Koeshall has explored other options to post our positions in an effort to get more applicants. We will move forward with trying these new options to see if they generate interest. We plan to review positions to see if separating job responsibilities will attract more candidates interested in only clinical work.

Deputy Director Miloch has started in her new role and is introducing herself to the community partners she has not yet met. This will be a process that will take several months. Creating connections and building collaborative relationships is one of her goals for the first six months in her new role.

We continue to see an increase in the need for services for children in Wood County. The number of children facing mental health, substance abuse, and other complex needs continues to grow. I plan to share Wood County data with the Health and Human Services Committee at the January meeting.

The Human Services Administrative Team and I are beginning to prepare a training series for managers and those interested in leadership opportunities. The training series is in development and will be rolled out by this spring. As we look to the future, leadership development is critical to setting up the department for long-term success. While several training opportunities exist statewide, understanding the Wood County process and policies is critical. I am excited to work collaboratively with our Administrative Team to deliver the training series to those interested in exploring leadership formally or informally.

Our 2023 year-end budget work has begun as we begin evaluating year-end data. The early review of our budget is better than the estimate we prepared in August. We can share our final budget data with you once we have all of our 2023 bills paid.

The Maintenance Team has nearly completed the office buildout on the second floor of River Block. The space was formerly used as a break/storage area. It has now been remodeled to offer five additional office spaces. The new offices will allow workers traveling from other locations to have a confidential workplace. The space should be ready for occupancy by early February. Thank you to the Maintenance Team for their work on this project.

Administrative Services Update by Mary Schlagenhaft

Administrative Services Team members attended various meetings specific to their job duties during the month. These included, but not limited to:

- Health & Human Service 2023 monthly Budget projection meetings (all locations), Operations, County Board, Team Building, Division Specific Management, Process and Individual Progress Meetings. Performance Evaluations for team members. All team members worked together to cover shortages in immediate needs due to absences and vacancies.
- Currently no Vacancies in this Division
- Additional accomplishments: Ongoing EHR Smartcare learning, workflows and processes

Accounting and Accounts Payable Team

- Contract process moving forward
 - o Rates are being received and moved forward for approval
- EW Appraisal Walkthrough with WI State Auditor
- Inventory review/discussion/education with NHC department heads
- Worked with IT to review E-signature requirements, options
- CLTS transition to Gainwell meetings attended by Fiscal Admin Assistant
- Review HIPPS with EW MDS Coordinator, discussed impact to VA Contract
- 2024 vouchers being review and updated
- Price Transparency posted/completed for NHC
- A/R Aging review meeting
 - Attempt to be more efficient in process team transitioned to documenting notes electronically on spreadsheet
 - Next in person meeting was not needed due to process change, efficiency possible found

Support Services Team

• We are transcribing **1/3/2024 as of 1/9/2024**; 44 dictation jobs are within a 6 day window.

December: Total Service Notes 260/235 entered by Unit

OPC: dictated 225/completed 203 – majority entered w/in 5 days FS: dictated 35/completed 32- majority entered w/in 1 day

- Records Released
 - o Behavioral Health Records Released: 63
 - o Family Service Record / Background checks Released: 25
 - o Records pending/in progress: **9**
 - o Total Completed: 88

Other Unit Information

- No vacant positions
- 1 staff on intermittent FMLA
- o 1 staff on FMLA, anticipated return to work 2/26/2024
- o 2 staff upcoming FMLA. Feb 7 and Feb 19, 2024

Behavioral Health Clinic service notes

- Monitor and evaluate service note review system weekly. Dictation for the year still
 continues to be completed on the <u>average</u> UNDER 12 days of Date Of Service
- Work with OPC Manager: Review OPC Program Assistant Interim plan (coverage during FMLA)
- Attend SmartCare Errors meeting: with Administration & Managers develop plan to isolate errors, note corrections needed and billing requirements
- Attend SmartCare Patient Portal meeting: Work with designated BH managers on plan
- Work with Unit Support Services and OPC Clinic staff assist w/fixing & monitoring errors/weekly signing of OPC service notes
- Develop schedule for staff that provide coverage in RB and MFLD Reception for upcoming month.
- Provide consultation and on site coverage of Reception coverage in MFLD and RB

- Work with FS Division Administrator and records staff on FS Records Custodian process (review/redact/release- per guidelines) all 25 Family Services Records were released using this process
- Monitor Administration Budget
- HIPAA:
 - o 0 HIPAA/ Confidentially breach in December
 - o Review and suggest updates on HIPAA & Risk related Policies
- Continue w/ destruction of RB- FS records; FS File Room extended due to building construction
- Meet with 13 support services staff for scheduled one on one progress update; by phone and/or in person; Ensure reception areas and all essential duties have coverage

Claims & Accounts Receivable, Client Interactions

- Ongoing Smartcare meeting, testing, progress and workflows
- Testing of 270/271 eligibility verification file transfers
- Continued research on additional payer sources for all locations
- Start of updated United Health Care Contract for NHC facility

Insurance Claims created and submitted for current reporting

2023 TRIP Monies received YTD:

Norwood: \$22,409Community: \$38,357

Community Resources Update by Olivia Lloyd

Transportation: In December, the Transportation program provided 654 bus rides. Of these rides, 184 were for employment, and 62 were for medical. The program also provided 97 volunteer rides. Of these, 34 were for employment, and 63 were for medical.

WHEAP: Since the 2024 heating season began October 1, 2023, Wood County has provided Energy Assistance services to 1584 households. The program has also provided 12 households with furnace repairs, and 18 households with furnace replacements.

Community Elves: The Community Elves program had another successful year. The program provided gifts for 633 Wood County children. Over 30 community members, businesses and WCHSD staff donated to the program. We received thousands of gifts and a total of \$3878 in monetary donations which helped fulfill additional family requests and provide household necessities.

Edgewater Haven Update by Justin Cieslewicz

Census Updates: In the month of December we had 17 admissions and 7 readmissions. Current Memory Care census is 15 residents. Census comparison to last year:

December 2022 – 45.74 average census with 9.16 rehab December 2023 – 44.03 average census with 8.84 rehab

Admissions/Discharges Comparison:

December 2022 – Admissions 13/Discharges 11/Readmissions 6/Deaths 3 December 2023 – Admissions 17/Discharges 14/Readmissions 7/Deaths 1

Personnel Updates: Personnel Updates: Open positions of writing this: Nursing – CNAs: .97 CNA, .97 CNA, .97 CNA. Med Techs: .97 Med Tech/CNA

CNA training course: We will be holding our first state approved CNA training course in the spring of 2024. The program was initially approved by the State of Wisconsin in 2021, however with covid restrictions and personnel changes the program has been on hold. We will work with the FSET program to assist in recruiting for the course. We are optimistic that the wage increases that were approved by the Health and Human Services Committee will assist in recruiting potential students to the program.

Maintenance Update: The damaged cast iron sewer line on the 300 south wing was repaired on December 13, 2023 by relining the existing sewer line with an infused seamless liner. The extent of the damage was over 30 feet long. The sewer line is not easily accessible as this part of the building does not have a basement in which the sewer lines laid in the sand underneath the concrete floor. The plumbing contractor was a ble to repair the damaged cast iron sewer line in under four hours. This repair was non-invasive and the residents were not displaced. The total cost for the repair was \$11.770.

Norwood Health Center Update by Marissa Kornack

The criminal investigation of a former employee and their alleged misappropriation/exploitation of funds has concluded. Charges have been filed by the Marshfield Police Department with the DA's office. The Department of Safety and Professional Services (DSPS) has still not taken action on the former employee's license. This means they are free and clear to obtain another job working with

vulnerable individuals, which is abhorrent considering they have been aware of the situation since June.

After our citations (related to abovementioned employee's action), were upheld in the first level of appeals in August, we filed the second level of appeal in September. An administrative law judge and attorney from CMS (Centers for Medicare and Medicaid Services) were assigned to the case. Our attorneys have been in communication with the assigned CMS attorney related to the pending fines and appeal. Preliminary negotiations indicate CMS is amenable to not levying the Civil Money Penalty (CMP) fines should we agree to withdraw our appeal. This has not been finalized, but we hope to have more information to share next month.

Norwood Nursing Department by Liz Masanz

We are currently utilizing three agency CNAs to cover open positions. There are 4.50 vacant CNA FTEs, along with seven casual positions. We had success in hiring one full time CNA, along with two casual CNAs moving into full time positions in the last month.

Admissions Unit: The average census for the month of December was 4.94 with an average census of 6.70 year to date. There were twenty-five admissions and twenty-eight discharges, with one 30-day readmission. The average length of stay year to date is 7.82 days, with it being 7.39 in December.

We currently have three psychiatric nurse practitioner student completing clinicals on the unit.

Long Term Care: The long- term care unit had one admissions and no discharges in December, with an average census of 11.76 on Crossroads and 12.47 on Pathways year to date.

The annual Christmas Tea was a huge success—there was the largest family and friend attendance we have seen in years.

Norwood Dietary Department by Larry Burt

Congregate meals for the month of December were 5,896 with revenue of \$42,757. Meals for the year are 71,412 with revenue of \$517,559.

As of writing this, we have .50 dietary aide FTE open. This is a huge improvement over our situation a couple of months ago, which makes covering the schedule much more manageable.

Norwood Maintenance Department by Lee Ackerman

Capital Improvement Updates:

- Building Security- plans have been submitted to DHS for the Plan Approval process which could take several months to complete. The next steps would be to put out the work for bids, award bids, and schedule the tasks. This is expected to take another 1-2 months. Once DHS approves the plan, a request for bids will be published for the construction portion. It is not uncommon for DHS to take 1-3 months to approve plans.
- East Entrance Doors- the overhead door for the East loading dock remains on backorder as of Dec. 31, 2023.
- Air Handler Rebuild (Phase 1): the supplier informed us that the delivery of supplies has been delayed and may not be shipped until early January. Once they arrive, there is a considerable amount of work to be done / coordinated to complete installation.

Other Maintenance:

Dishwasher- as of Dec. 31, 2023, the dishwasher has not been shipped to Norwood.

Water Management- as part of Norwood's Water Management Plan, water samples taken from various location within the facility are tested for legionella bacteria. A recent water sample test showed small amounts in (4) locations. Though not unusual for a building of this age, we took significant measures to both ensure the safety of our residents and staff and pursue means of reducing or eliminating the hazard. This included: conferring with the DHS Infection Preventionist and Industrial Hygienist, as well as having both individuals tour our building and offer advice on identifying potential risks and how to mitigate those risks.

Filters were ordered and installed in all of the residential shower heads on Pathways, Crossroads, and Bridgeway as these are common areas where infections can transmit. Also, a rigorous program of hard flushing of all water lines was implemented. A bottled water receptacle was put in place to offer safe drinking water to residents and staff until we can safely return to using conventional sources. Per the advice of the State experts, we have been going through the building and identifying any areas where water could stagnate and flushing or removing those sections.

The DHS Industrial Hygienist encouraged seeking assistance from a local water treatment expert who could offer guidance, supply filters, do testing, and offer remediation of antigens if necessary; fortunately, we already established a relationship with U. S Water in Weston, WI who can supply all of those needs.

Following the regular flushing regimen for just a few days, we were able to see healthy levels of disinfectant (chlorine) in water samples taken at faucets furthest from the utility supply pointe, which indicates that the purifying agent is being carried throughout the building. We were advised this is evidence that flushing an effective treatment for our conditions. We will be retesting the same sites in early January to confirm that these methods are effective in removing harmful agents.

Family Services by Jodi Liegl

Foster Care Holiday Celebration: On December 5th, Family Services hosted the annual Wood County Foster Family Holiday Celebration at Wildwood Station in Marshfield. There were 54 people in attendance (foster parents and children) along with workers. Some of the foster families, children and youth came early to help workers decorate the space. Evening events included: a meal (which donations from Simplicity Credit Union and Kwik Trip generously funded), ornament making, a scavenger hunt, cookie decorating, hot chocolate station, photo backdrop, music, and walking through the Christmas light display at Marshfield Zoo.

Grant Awarded Training: In June 2023, Wood County Human Services Department was informed by Wisconsin Department of Children and Families of the grant award for Foster Parent Training through the Foster Parent Grant. The grant allows two staff to complete Trust Based Relational Intervention/TBRI® practitioner training. TBRI ® is an attachment-based, trauma-informed intervention that is designed to meet the complex needs of vulnerable children. TBRI® uses Empowering Principles to address physical needs, Connecting Principles for attachment needs, and Correcting Principles to disarm fear-based behaviors. While the intervention is based on years of attachment, sensory processing, and neuroscience research, the heartbeat of TBRI® is connection.

TBRI® Practitioner Training is for professionals to learn about Trust-Based Relational Intervention® and use it within their professional capacity. This core training experience is designed to prepare practitioners for working with children, families, and in systems of care impacted by trauma. After successful completion of the TBRI® Practitioner Training, all TBRI® Practitioners may train within their organization using the TBRI® Caregiver Training Package. TBRI® Caregiver Training will be offered to all providers licensed by Wood County in group and/or individual sessions. This will also aid in the retention of foster parents as it will provide a natural support group

and networking amongst providers through group learning sessions. Additionally, foster parents will be more equipped to care for the children in their homes and have tangible tools and strategies to utilize in caring for the needs of children who have experienced trauma.

TBRI® is designed to meet the complex needs of children who have experienced adversity, early harm, toxic stress, and/or trauma. Because of their histories, it is often difficult for these children to trust the loving adults in their lives, which often results in perplexing behaviors. TBRI® offers practical tools for parents, caregivers, teachers, or anyone who works with children, to see the "whole child" in their care and help that child reach his highest potential. Because of their histories, children who have experienced trauma have changes in their bodies, brains, behaviors, and belief systems. While a variety of parenting strategies may be successful in typical circumstances, children with histories of harm need caregiving that meets their unique needs and addresses the whole child.

Through providing this training to licensed providers, they will be more equipped to meet the complex needs of children who have experienced trauma, leading to better quality care for children and enhanced placement stability as providers will possess the skills and knowledge to care for the individual needs of the children in their home. Survey feedback from Wood County licensed providers have indicated they want more training on trauma, education on children's behaviors, and effective discipline strategies. When feedback was gathered for the purposes of this grant proposal from providers, one stated it would be helpful to have a joint training offered to families of origin and foster families. The intention for the Wood County staff members as TBRI® practitioners would be to expand TBRI® group sessions to foster families and families of origin as a joint training. All caregivers can and children benefit from the TBRI®. The benefits of offering this training to foster families and families of origin would include: fostering a relationship between the provider and family of origin, consistency of care for the child in family and provider homes, and shared foundation of parenting practices and tools which are rooted in connection.

Megan Kessler applied to the highly competitive TBRI® Practitioner Training and was accepted into the session held March 18th through the 22nd. Out of state travel is required as there are no training sessions held in Wisconsin. The training session that Ms. Kessler was approved for is occurring in Houston, Texas. The grant covers the TBRI® training fee, transportation, lodging, and meals.

Relative Caregiver Support Grant Award: Wood County was notified of our award for the Relative Caregiver Support Grant in the amount of \$9,550. The overall goal of the plan is to continue to increase agency and community support for relative caregivers and the children in their care to promote family stability, reunification, education, and wellness. The Kinship Coordinator and Permanency Support Coordinator will continue to collaborate to increase outreach to relative caregiver homes and subsequently boost the support group attendance by 25% in comparison to 2023. Additional relative caregivers will be identified through collaboration among agency workers and community outreach. The agency will expand culturally appropriate initiatives to provide education on substance use, de-escalation, and reunification. Direct feedback received from relative caregivers was collected through phone calls, emails, mail, and in-person discussions to identify the unique needs of families and construct a plan to support these requests. Among these requests was the continued need to provide an inclusive community of support and to provide emergency concrete resources. The general outcomes sought of this plan are to continue to promote positive relations between relative caregivers and children in order to expand their supportive network.

Personnel: Family Services is currently recruiting for a Family Find and Engagement Case Manager/Social Worker. This is a newly created position, previously part of the Access and Initial Assessment team in Family Services. Position vacancies allow an opportunity to assess the needs

across the division and be innovative in how we serve families. This position will be responsible for assisting in the support of families when out of home placement has occurred with a focus on fostering connections with relatives and informal supports, exploring placement options, and enhancing the youth's long-term support network. The position will also assist with the coordination and facilitation of case mappings related to permanency as well as family team meetings.

Youth Diversion Update by Angela O'Day

Personnel: A new team member filled the vacant youth mentor position on 12/4/23. Their training including information on family systems, developmental relationships, Kids at Hope, BITS from the Carey Guides, and time shadowing with youth justice social workers and the youth programming team. They have been matched with their first youth and have jumped into contributing to related youth programming projects.

Community Engagements and Projects

Rise Up: Our Rise Up mural workshops at McMillan Library wrapped up on 12/19. The Rise Up artist will now spend 1-2 months drafting the design for the community mural based on the youth's input during the 8 part workshop series. Once the design is completed, participating youth and community members will paint the mural on cloth segments during community paint days in a paint by number format. We will continue to seek funding to bring the community mural to completion throughout the first half of 2024.

America Walks: In coordination with the City of Wisconsin Rapids, we applied for a grant through America Walks to install crosswalk art with program youth near McMillan Library in summer 2024. We were notified of the \$1,500 grant award in December. Crosswalk art has been shown to increase safety and walkability of intersections, and the funds will be used to purchase road safe paint. Staff and youth will paint a design featuring river rapids on the selected crosswalk. We pursued the grant in order to provide opportunity for our youth to get involved in a cutting edge project that beautifies our community.

CVSO Report to the Wood County Health and Human Services Committee

Meeting Date: January 25, 2024

December 2023 Activity: During the month of December we completed/submitted 275 federal forms include:

- 40 Intent to file a claim (this marks the effective date while we assist the veteran in gathering all the required supporting documentation)
- 14 Appeals Higher Level Review, Notice of Disagreement (appeal)
- 27 New claims for disability compensation
- 0 New claims for veterans pension
- 0 New claims for surviving spouse benefits (DIC or surviving spouse pension)
- 14 New applications for VA Healthcare
- 28 Appointments of Claimants Representative (POA for American Legion, VFW, DAV etc.)
- 14 Burial and marker applications

Activities:

- 1. Completed as of November 8, 2023:
 - a. December 19- Milwaukee VA Regional Office Director's VSO call in.
 - b. December 21 Wisconsin Department of Veterans Affairs Claims/program video training.
 - c. January 9 Wood County Veteran Service Commission meeting.
 - d. January 16 Milwaukee VA Regional Office Director's VSO call in.

2. Near Future:

- a. January 19 CVSO Association Executive Committee meeting in Green Bay.
- b. January 31 Tomah VA Medical Center meeting with new Suicide Prevention Staff.
- c. February 6-7 WCA legislative Conference.

Office updates:

- 1. State Supplemental Grant (\$19,178 to be used 2023-2024)update \$15,389.56 expended to date. Purchased but waiting installation two loby digital displays to better present current issues to veterans. Remaining \$3,708.44 to be expended in 2024.
- 2. Individual impact- Vietnam Veteran's Widow came in due to information she received on the PACT Act wondering if she could reopen her claim for Dependency and Indemnity Compensation (DIC) based on her husband's death which was denied service connection in 2010. Office staff reviewed the file and pointed out to the VA that all the information was in the file back in 2010 and they made a clear error on the decision to deny. Widow received DIC (monthly award amount of \$1,612 tax free per month going forward) and \$203,978.47 in tax free retro active payment. Widow will also receive CHAMPVA Health care and the Wisconsin Veteran and Surviving Spouse Property tax Credit.
- 3. Outreach the Veterans Office is coordinating with the VA Hospital Tomah to conduct a Veterans Expo this summer in Wisconsin Rapids and this fall in Marshfield as part of that the Hospital Director hopes to conduct a Town Hall meeting with the area veterans.

For Budget year 2023 I see no issues at closing out the year under budget. See printout on next page.

ITEM#		_
DATE	February 20, 2024	
Effective I	ate Upon Passage and Posting	

SS

Health & Human Services Committee; Operations Committee

Introduced by Page 1 of 1

INTENT & SYNOPSIS: To amend the 2024 Public Health budget to include 2023 unspent funds for projects that will be using American Rescue Plan Act (ARPA) funding.

FISCAL NOTE: No cost to Wood County. The source of funding is unspent funds from the 2023 Public Health budget. The monies will be expended in 2024. The adjustment to the budget is as follows:

Function	Account Name	Debit	Credit
54121	Public Health		\$2,000,000
34300	Fund Balance	\$2,000,000	

WHEREAS, the Public Health budget will have unexpended funds from the 2023 budget year, and

WHEREAS, funds budgeted for the Family Health Center were not expended in 2023, and

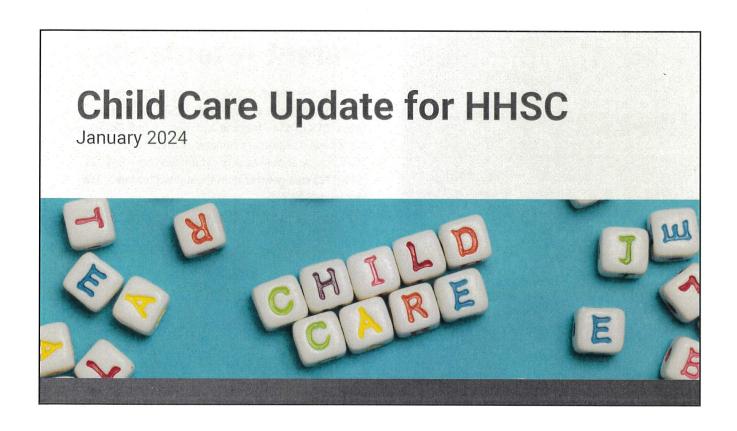

WHEREAS, rule 26 of the Wood County Board of Supervisors states that "an amendment to the budget is required any time the actual costs will exceed the budget at the function level", and

THEREFORE BE IT RESOLVED, to amend the Wood County Public Health budget account (54121) for 2024 by appropriating \$2,000,000 from Fund Balance (34300) with unspent monies from the 2023 budget year, and

BE IT FURTHER RESOLVED, that pursuant to Wis. Stats. 65.90 (5), the County Clerk is required to post a notice of this budget change within 15 days.

42% of Wood
County parents
surveyed
struggle to
obtain child
care due to
financial
barriers

Parent Affordability

- A family who makes Wood County's median income of \$55,879/year pays up to \$11,844/year for infants
- That's 21% of their income and more than 3 times what the federal government defines as affordable
- The average annual cost of infant child care in 2021 (\$13,572) was greater than the annual tuition at UW-Madison (\$10,766)

A mother of two working full-time in a child care center would have to spend 81% of her income to enroll her own two children at that center.

Employee Retention

- Average income of a child care worker is \$23,650
- In Wood County, the average hourly child care teacher wage is \$13.60
- The number one reason why staff leave is due to low wages and lack of benefits
- Why would someone want to become or remain a child care teacher?

Nearly half (45.5%) of Wood County providers may close within the next six months.

Access to Quality Care

In a survey of child care providers respondents indicated -

How likely are you to close within the next 6 months? **45.45%** replied definitely or possibly.

If you plan to close or are considering it, how many children would be impacted? **259 children!** There are already 655 children on wait lists.

Without additional support **93% of providers** are likely to increase **rates upwards of 15 to 30%**.

Rates are already unaffordable for families

Wood County is expected to lose over \$37,000,000 in income, tax revenue, and productivity

Local Economic Impact

 Wood County is expected to lose over \$37,000,000 in income, tax revenue, and productivity

Return on Investment

"High-quality early childhood programs can yield a \$4-9 return per \$1 invested."

University of Pennsylvania Center for High Impact Philanthropy

Other studies also reveal that:

Children enrolled are less likely to need special education during K-12 years

Are less likely to commit juvenile offenses

Are more likely to graduate from high school

Co-create a Model of Partnership Between the Business Community and Child Care

- Modeled after an existing state program – Partner Up!
- Creates strong partnership with businesses/employers
- Requesting funds for Childcaring, Inc. to administer the program
- Requesting funding for 50% of the True Cost of Care for 40 children per year
- Parents would pay 25%
- Employers would pay 25%

Monthly True Cost of Care Tables
The per child monthly true cost of care amounts for part-time and full-time care are below.

	Full-Time (21-	hours per W	leek)		
Age Group	Monthly Total	25%	30%	40%	50%
0-1 year, 11 months	\$1,800	\$450	\$540	\$720	\$900
2-year-old	\$1,400	\$350	\$420	\$560	\$700
3-year-old	\$1,100	\$275	\$330	\$440	\$550
4 & 5-year-olds	\$1,000	\$250	\$300	\$400	\$500
6+ years old	\$900	\$225	\$270	\$360	\$450
	Part-Time (1-2	0 hours per	week)		
Age Group	Monthly Total	25%	30%	40%	50%
0-1 year, 11 months	\$1,200	\$300	\$360	\$480	\$600
2-year-old	\$925	\$231.25	\$277.50	\$370	\$462,50
3-year-old	\$725	\$181.25	\$217.50	\$290	\$362.50
4 & 5-year-olds	\$675	\$168.75	\$202.50	\$270	\$337.50
6+ years old	\$600	\$150	\$180	\$240	\$300

1

Co-create a Model of Partnership Between the Business Community and Child Care

Item	Number	Rate	Years	Amount Requested
Annual infant slot	10 @ 50%	\$900 per month	3	\$324,000
Annual 2-year-old slot	10 @ 50%	\$700 per month	3	\$252,000
Annual 3-year-old slot	10 @ 50%	\$550 per month	3	\$198,000
Annual 4+year-old slot	10 @ 50%	\$500 per month	3	\$180,000
Marketing	1	\$5,000	3	\$15,000
Indirects		10%	3	\$111,968
Position	Annual Salary	% Time	Years	Amount Requested
Business Child Care Advocate/Grants Coordinator	\$65,000 (starting salary for 1 FTE)	75%	3	\$150,681
Total				\$1,231,649

Sustainability

- Participating businesses will see the value and continue their investment
- Family takes over the difference between the 25% employer contribution and the provider's charges
- Child care provider will have had the opportunity to invest in their centers while they had the true cost of care funding

Provide Start-Up and Capacity Building Grants to Increase Available Child Slots

- Increase the number of "slots" available
- · Alleviate the issue of extensive waiting lists for child care
- · Interested centers will complete an application process
- Funds could be requested for capital expenses, like remodeling, furniture, indoor/outdoor equipment, fencing, smoke and CO2 detectors, fire extinguishers, licensing fees, and staff incentive pay
- Cannot be used to pay off existing debt

Provide Start-Up and Capacity Building Grants to Increase Available Child Slots

Item	Number	Rate	Years	Amount Requested
Family Child Care Grants	7-10	\$5,000-10,000	3	\$300,000
Group Child Care Grants	1-3	\$50,000-300,000	3	\$900,000
Pillsville Child Care Center	1	\$98,000	1	\$98,000
Indirects		10%	3	\$134,823
Position	Annual Salary	% Time	Years	Amount Requested
Start Up Specialist/Grants Coordinator	\$65,000	25%	3	\$50,227
Total				\$1,483,050

Sustainability

- One-time funds will help to create additional child care slots
- The goal is to alleviate some of the initial time and financial burden for the program overall, thereby freeing up time and funds to increase and sustain child care staff.

70

Explore Creation of Shared Services Networks

- Save providers time and money, freeing up revenue for wages and other expenses.
- Examples staffing models, human resources functions,
 paperwork related to enrollment and business expenses, credit
 card processing, professional development opportunities

Explore Creation of Shared Services Networks

Item	Number	Rate	Years	Amount Requested
Meeting expenses for Wood County Child Care Network	4 meetings	\$300/meeting	3	\$3,600
Indirects		10%	3	\$10,704
Position	Annual Salary	% Time	Years	Amount Requested
Network Coordinator	\$65,000	.5 FTE	3	\$103,437
Total				\$117,741

Sustainability

 A reasonable fee structure will be developed early allowing providers to plan for assuming this cost when ARPA dollars are no longer available.

Demonstrating Success: Evaluation Strategies

- The Wood County Child Care Task Force will work with Childcaring, Inc.
 to develop evaluation measures for each of the three strategies
- Evaluation will include qualitative and quantitative
- Report to the Operations Committee twice/year or as requested

 - ► Additional 1,581

North Central Wisconsin include the Counties of: Wood, Portage, Clark, Marathon, Taylor, Lincoln, Langlade, Forest, Oneida, Price, Vilas, Iron

79

Demographic and Consumer Preference Shifts

11

- ► Consumer Preference Has Shifted
 - ▶ Decreased Nursing Home Demand
 - ▶Increased Assisted Living Demand
 - ▶ Frail Elderly and Memory Care
 - ▶ Preference for Assisted Living settings over Nursing Home settings expected to increase as Baby Boomers begin turning 80 years and older
 - ▶Need for additional Assisted Living Providers and Home Health Providers Statewide

12

Edgewater Haven Strategic Plan 2010

CONDUCTED BY WIPFLI LLC

80

Purpose of 2010 Strategic Plan

13

- ▶ Conduct a full assessment of Edgewater Haven
- ▶ Review Census Trends
- ▶Identify Anticipated Market Need
- ►Identify Recommendations for Financial Feasibility

2010 Analysis of Edgewater Haven

14

- ▶ Nursing Facility was operating inefficiently
- ▶ Identified reduction in census over
 - ▶ 67% occupancy at time of study
 - ▶ Declining census projected to have a -\$450,000 impact over years
- ▶ Market Analysis of Nursing Home Beds
 - ▶ Current market as of 2010 had excess of 77 beds in primary market
 - ▶ Decline in NH need based off assisted living options
 - ▶ Funding is major driver in assisted living increase

81

2010 Analysis of Edgewater Haven Recommendations

15

- ▶ Operational Changes Staffing Adjustments Per Census
 - ▶ Completed
- ► Address Aging Physical Building
 - ▶ 1928 Building Razed and New Therapy and Administrative Buildings Built
 ▶ Completed
- ▶ Reduce Nursing Home Bed Capacity to 50 Bed
 - ▶ Qualify for additional Medicaid Reimbursement Small Facility Incentive
- ▶ Incorporate a 20 Bed CBRF (assisted living) on campus
 - ▶ Affordable (Family Care) Frail Elderly / Dementia

Discussion

16
